Small Business Administration § 120.824

prior to January 1, 1987). The CDC membership must meet annually. No person or entity can own or control more than 10 percent of the CDC’s voting membership (or stock). No employee or staff of the CDC can qualify as a member of the CDC for the purpose of meeting the membership requirements. The CDC membership must include representatives from all the groups listed in paragraph (b) of this section.

(b) Membership groups. Members must be responsible for actively supporting economic development in the Area of Operations and must be from one of the following groups:

(1) Government organizations responsible for economic development in the Area of Operations;

(2) Financial institutions that provide commercial long term fixed asset financing in the Area of Operations;

(3) Community organizations dedicated to economic development in the Area of Operations such as chambers of commerce, foundations, trade associations, colleges, universities, or small business development centers (as defined in section 21(a)(1) of the Act, 15 U.S.C. 648(a)(1)); and

(4) Businesses in the Area of Operations.

(c) A CDC that is incorporated in one State and is operating as a Multi-State CDC in another State must meet the membership requirements for each State.

§ 120.824 Professional management and staff.

A CDC must have full-time professional management, including an Executive Director (or the equivalent) managing daily operations. It must also have a full-time professional staff qualified by training and experience to market the 504 Program, package and process loan applications, close loans, service, and, if authorized by SBA, liquidate the loan portfolio, and sustain a sufficient level of service and activity in the Area of Operations. CDCs may obtain, under written contract, management, marketing, packaging, processing, closing, servicing or liquidation services provided by qualified individuals and entities under the following circumstances:

(a) The CDC must have at least one salaried professional employee that is employed directly (not a contractor or
§ 120.825 Financial ability to operate.

A CDC must be able to sustain its operations continuously, with reliable sources of funds (such as income from services rendered and contributions from government or other sponsors). Any funds generated from 503 and 504 loan activity by a CDC remaining after payment of staff and overhead expenses must be retained by the CDC as a reserve for future operations or for investment in other local economic development activity in its Area of Operations. If a CDC is operating as a Multi-State CDC, it must maintain a separate accounting for each State of all 504 fee income and expenses and provide, upon SBA’s request, evidence that the funds resulting from its Multi-State CDC operations are being invested in economic development activities in each State in which they were generated.

§ 120.826 Basic requirements for operating a CDC.

A CDC must operate in accordance with the following requirements:

(a) In general. CDCs must meet all 504 Loan Program Requirements. In its Area of Operations, a CDC must market the 504 program, package and process 504 loan applications, close and service 504 loans, and if authorized by SBA, liquidate and litigate 504 loans. It must supply to SBA current and accurate information about all certification and operational requirements, and maintain the records and submit all reports required by SBA.

(b) Operations and internal controls. Each CDC’s board of directors must adopt an internal control policy which
