§ 126.608 Are there HUBZone contract opportunities at or below the simplified acquisition threshold or micropurchase threshold?

A CO may make a requirement available as a HUBZone set-aside if it is at or below the simplified acquisition threshold. In addition, a CO may award a requirement as a HUBZone contract to a qualified HUBZone SBC at or below the micropurchase threshold.

§ 126.609 [Reserved]

§ 126.610 May SBA appeal a contracting officer's decision not to reserve a procurement for award as a HUBZone contract?

(a) The Administrator may appeal a CO's decision not to make a particular requirement available for award as a HUBZone contract to the Secretary of the department or head of the agency.

(b) An appeal is initiated by SBA's Procurement Center Representative to the CO, and may be in response to information supplied by the D/HUB, his or her designee, or other interested parties.

§ 126.611 What is the process for such an appeal?

(a) Notice of appeal. When the contracting officer rejects a recommendation by SBA's Procurement Center Representative to make a requirement available for award as a HUBZone contract, he or she must notify the Procurement Center Representative as soon as practicable. If the Administrator intends to appeal the decision, SBA must notify the contracting officer no later than five business days after receiving notice of the contracting officer's decision.

(b) Suspension of action. Upon receipt of notice of SBA's intent to appeal, the contracting officer must suspend further action regarding the procurement until the head of the contracting activity issues a written decision on the appeal, unless the head of the contracting activity makes a written determination that urgent and compelling circumstances which significantly affect the interests of the United States compel award of the contract.

(c) Deadline for appeal. Within 15 business days of SBA's notification to the CO, SBA must file its formal appeal with the Secretary of the department or head of the agency, or the appeal will be deemed withdrawn.

(d) Decision. The contracting activity must specify in writing the reasons for a denial of an appeal brought under this section.

§ 126.612 When may a CO award sole source contracts to qualified HUBZone SBCs?

A contracting officer may award a sole source contract to a qualified HUBZone SBC only when the contracting officer determines that:

(a) None of the provisions of §§ 126.605 or 126.607 apply;

(b) The anticipated award price of the contract, including options, will not exceed:

(1) $5,500,000 for a requirement within the NAICS codes for manufacturing; or

(2) $3,500,000 for a requirement within all other NAICS codes;

(c) Two or more qualified HUBZone SBCs are not likely to submit offers;

(d) A qualified HUBZone SBC is a responsible contractor able to perform the contract; and

(e) In the estimation of the CO, contract award can be made at a fair and reasonable price.

§ 126.613 How does a price evaluation preference affect the bid of a qualified HUBZone SBC in full and open competition?

(a)(1) Where a CO will award a contract on the basis of full and open competition, the CO must deem the price offered by a qualified HUBZone SBC to be lower than the price offered by another offeror (other than another SBC) if the price offered by the qualified HUBZone SBC is not more than 10%
