§ 14.6 Commercial organizations. This part also applies to subrecipients performing work under awards if the subrecipients are foreign governments, organizations under the jurisdiction of foreign governments, and international organizations unless otherwise determined by the Grants Officer. State and local government subrecipients are subject to the provisions of regulations implementing the grants management common rule, “Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments,” (15 CFR part 24).

§ 14.6 Availability of OMB circulars.

OMB circulars cited in this part are available from the Office of Management and Budget (OMB) by writing to the Executive Office of the President, Publications Service, 725 17th Street, NW, Suite 200, Washington DC 20503.

Subpart B—Pre-Award Requirements

§ 14.10 Purpose.

Sections 14.11 through 14.18 prescribe forms and instructions and other preaward matters to be used in applying for Federal awards.

§ 14.11 Pre-award policies.

(a) Use of grants and cooperative agreements, and contracts. In each instance, the Grants Officer after coordination with the DoC operating unit shall decide on the appropriate award instrument (i.e., grant, cooperative agreement, or contract). The Federal Grant and Cooperative Agreement Act (31 U.S.C. 6301–08) governs the use of grants, cooperative agreements and contracts. A grant or cooperative agreement shall be used only when the principal purpose of a transaction is to accomplish a public purpose of support or stimulation authorized by Federal statute. The statutory criterion for choosing between grants and cooperative agreements is that for the latter, “substantial involvement is expected between the executive agency and the State, local government, or other recipient when carrying out the activity contemplated in the agreement.” Contracts shall be used when the principal purpose is acquisition of property or services for the direct benefit or use of the Federal Government.

(b) Public notice and priority setting.

The DoC operating units shall notify the public of their intended funding priorities for discretionary grant programs, unless funding priorities are established by Federal statute. At a minimum, public notices shall be published in the Federal Register.

§ 14.12 Forms for applying for Federal assistance.

(a) The DoC operating units shall comply with the applicable report clearance requirements of 5 CFR part 1320, “Controlling Paperwork Burdens on the Public,” with regard to all forms used by the DoC operating units in place of or as a supplement to the Standard Form 424 (SF–424) series.

(b) Applicants shall use the SF–424 series or those forms and instructions prescribed by the DoC.

(c) For Federal programs covered by E.O. 12372, “Intergovernmental Review of Federal Programs,” the applicant shall complete the appropriate sections of the SF–424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from the DoC or the Catalog of Federal Domestic Assistance. The SPOC shall advise the applicant whether the program for which application is made has been selected by that State for review.

(d) DoC operating units that do not use the SF–424 form should indicate whether the application is subject to review by the State under E.O. 12372.

§ 14.13 Debarment and suspension.

The DoC and recipients shall comply with the nonprocurement debarment and suspension common rule implementing E.O.s 12549 and 12689, “Debarment and Suspension,” which is implemented by DoC at 2 CFR part 1326. This common rule restricts subawards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.
