that have been submitted by Federal agencies and states to the Treasury Offset Program database. If there is a match, the Financial Management Service (or, in some cases, another Federal disbursing agency) offsets all or a portion of the Federal payment, disburse any remaining payment to the payee, and pays the offset amount to the creditor agency. Federal payments eligible for offset include, but are not limited to, income tax refunds, salary, travel advances and reimbursements, retirement and vendor payments, and Social Security and other benefit payments.

§ 19.10 How will Commerce entities use administrative offset (offset of non-tax Federal payments) to collect a Commerce debt?

(a) Centralized administrative offset through the Treasury Offset Program. (1) In most cases, the Financial Management Service uses the Treasury Offset Program to collect Commerce debts by the offset of Federal payments. See §19.9(c) of this Part. If not already transferred to the Financial Management Service under §19.9 of this Part, Commerce entities will refer Commerce debt over 180 days delinquent to the Treasury Offset Program for collection by centralized administrative offset. See 31 U.S.C. 3716(c)(6); 31 CFR part 285, subpart A; and 31 CFR 901.3(b). Commerce entities may refer to the Treasury Offset Program for offset any Commerce debt that has been delinquent for 180 days or less.

(2) At least sixty (60) days prior to referring a Commerce debt to the Treasury Offset Program, in accordance with paragraph (a)(1) of this section, Commerce entities will send notice to the debtor in accordance with the requirements of §19.4 of this Part. When referring a Commerce debt for offset under this paragraph (b), Commerce entities making the request will certify, in writing, that the Commerce debt is valid, delinquent, legally enforceable, and that there are no legal bars to collection by offset. In addition, Commerce entities will certify their compliance with these regulations concerning administrative offset. See 31 CFR 901.3(c)(2)(ii).

(c) Administrative review. The notice described in §19.4 of this Part shall explain to the debtor how to request an administrative review of a Commerce entity’s determination that the debtor owes a Commerce debt and how to present evidence that the Commerce debt is not delinquent or legally enforceable. In addition to challenging the existence and amount of the Commerce debt, the debtor may seek a review of the terms of repayment. In most cases, Commerce entities will provide the debtor with a “paper hearing” based upon a review of the written record, including documentation provided by the debtor. Commerce entities shall provide the debtor with a reasonable opportunity for an oral hearing when the debtor requests reconsideration of the Commerce debt and the Commerce entity determines that the question of the indebtedness cannot be resolved by review of the documentary evidence, for example, when the validity of the Commerce debt turns on an issue of credibility or veracity. Unless otherwise required by law, an oral
§ 19.11 How will Commerce entities use tax refund offset to collect a Commerce debt?

(a) Tax refund offset. In most cases, the Financial Management Service uses the Treasury Offset Program to collect Commerce debts by the offset of tax refunds and other Federal payments. See § 19.9(c) of this Part. If not already transferred to the Financial Management Service under § 19.9 of this Part, Commerce entities will refer to the Treasury Offset Program any past-due, legally enforceable Commerce debt for collection by tax refund offset. See 26 U.S.C. 6402(d), 31 U.S.C. 3720A and 31 CFR 285.2.

(b) Notice. At least sixty (60) days prior to referring a Commerce debt to the Treasury Offset Program, Commerce entities will send notice to the debtor in accordance with the requirements of § 19.4 of this Part. Commerce entities will certify to the Financial Management Service’s Treasury Offset Program, in writing, that the Commerce entities have made reasonable efforts to obtain payment of the Commerce debt as described in 31 CFR 285.2(d). In addition, Commerce entities will certify their compliance with all applicable due process and other requirements described in this Part and other Federal laws. See 31 U.S.C. 3720A(b) and 31 CFR 285.2.

(c) Administrative review. The notice described in § 19.4 of this Part shall provide the debtor with at least 60 days prior to the initiation of tax refund offset to request an administrative review as described in § 19.10(c) of this Part. Commerce entities may suspend collection through tax refund offset and/or other collection actions pending the resolution of the debtor’s dispute.

§ 19.12 How will Commerce entities offset a Federal employee’s salary to collect a Commerce debt?

(a) Federal salary offset. (1) Salary offset is used to collect debts owed to the United States by Commerce Department and other Federal employees. If a Federal employee owes a Commerce debt, Commerce entities may offset the employee’s Federal salary to collect the Commerce debt in the manner described in this section. For information on how a Federal agency other than a Commerce entity may collect debt from the salary of a Commerce Department employee, see §§ 19.20 and 19.21, subpart C, of this Part.

(2) Nothing in this Part requires a Commerce entity to collect a Commerce debt in accordance with the provisions of this section if Federal law allows otherwise. See, for example, 5 U.S.C. 5705 (travel advances not used for allowable travel expenses are recoverable from the employee or his estate by setoff against accrued pay and other means) and 5 U.S.C. 4108 (recovery of training expenses).

(3) Commerce entities may use the administrative wage garnishment procedure described in § 19.13 of this Part to collect a Commerce debt from an individual’s non-Federal wages.

(b) Centralized salary offset through the Treasury Offset Program. As described in § 19.9(a) of this Part, Commerce entities will refer Commerce debts to the Financial Management Service for collection by administrative offset, including
