§ 165.17 Awards to whistleblowers who engage in culpable conduct.

In determining whether the required $1,000,000 threshold has been satisfied for purposes of making any award, the Commission will not take into account any monetary sanctions that the whistleblower is ordered to pay, or that is ordered against any entity whose liability is based primarily on conduct that the whistleblower principally directed, planned, or initiated. Similarly, if the Commission determines that a whistleblower is eligible for an award, any amounts that the whistleblower or such an entity pay in sanctions as a result of the action or related actions will not be included within the calculation of the amounts collected for purposes of making payments pursuant to § 165.14.

§ 165.18 Staff communications with whistleblowers from represented entities.

If the whistleblower is a whistleblower who is a director, officer, member, agent, or employee of an entity that has counsel, and the whistleblower has initiated communication with the Commission relating to a potential violation of the Commodity Exchange Act, the Commission’s staff is authorized to communicate directly with the whistleblower regarding the subject of the whistleblower’s communication without seeking the consent of the entity’s counsel.

§ 165.19 Nonenforceability of certain provisions waiving rights and remedies or requiring arbitration of disputes.

The rights and remedies provided for in this part 165 of the Commission’s regulations may not be waived by any agreement, policy, form, or condition of employment, including by a predispute arbitration agreement. No predispute arbitration agreement shall be valid or enforceable if the agreement requires arbitration of a dispute arising under this Part.

Section 23(c)(1)(B) of the CEA requires the Commission to consider in determining the amount of an award the following factors: (a) The significance of the information provided by a whistleblower to the success of the Commission action or related action; (b) the degree of assistance provided by the whistleblower and any legal representative of the whistleblower in the Commission action or related action; (c) the programmatic interest of the Commission in deterring violations of the Commodity Exchange Act (including Regulations under the Act) by making
awards to whistleblowers who provide information that leads to the successful enforcement of such laws; and (d) whether the award otherwise enhances the Commission’s ability to enforce the Commodity Exchange Act, protect customers, and encourage the submission of high quality information from whistleblowers.
