Commodity Futures Trading Commission

§ 171.41 Petition for a stay of effective date of a member responsibility action pending a hearing by the National Futures Association.

(a) Time to file. Within ten days after the National Futures Association serves the notice required by §171.40, any party aggrieved by the National Futures Association’s determination that the member responsibility action should be effective prior to the opportunity for a hearing on the factual issues relevant to the suspension, restriction or remedial action imposed may petition the Commission to stay its effectiveness pending completion of further proceedings by the National Futures Association. The burden of persuasion shall rest with the party seeking the stay.

(b) Content. A petition for stay shall meet the content requirements set forth in §171.22(b)(3).

(c) Response. A response may be filed by the National Futures Association in accordance with §171.22(b)(4).

(d) Standards for granting petition for stay. In reviewing petitions to stay the effectiveness of the member responsibility action pending completion of further proceedings, the Commission shall consider:

(1) Whether, in the circumstances presented, the notice and opportunity for a hearing provided by the National Futures Association are consistent with principles of fundamental fairness; and

(2) The likelihood that the denial of the petition would result in irreparable harm to petitioner; and

(3) The effect a grant of the petition would have on the interests of the National Futures Association; and

(4) The effect a grant or denial of the petition would have on the public interest.

(e) If the suspension, restriction or remedial action imposed by the National Futures Association in a member responsibility action is effective at the time a petition for a stay is filed with the Commission, the Commission shall not delay its decision on the petition to await the receipt of the National Futures Association’s response. If the action is not effective at the time the petition is filed, the Commission will not act upon the petition prior to the receipt of a response from the National Futures Association unless, in its view, expedited action on the petition is necessary to protect petitioner’s right to a meaningful determination of the right to a stay. If the Commission grants the petition prior to the receipt of the response of the National Futures Association, the association may seek reconsideration of the Commission’s action within seven days of service of the decision.

§ 171.42 Notice of a final decision of the National Futures Association in a member responsibility action.

(a) When required. The National Futures Association shall promptly serve all parties, as well as the Proceeding Clerk and Secretary of the Commission, with a written notice of any final decision in a member responsibility action. The notice may be contained in the written decision issued by the National Futures Association. If the National Futures Association determines that the decision shall be effective upon issuance, in addition to serving a written notice, it shall also contact the parties and the Proceedings Clerk by telephone to inform them of its determination.
§ 171.43  Petition for a stay of the effective date of a final decision of the National Futures Association in a member responsibility action.

(a) Filing the petition. Within ten days of the service of the notice described in §171.42, any aggrieved party may seek from the Commission a stay of the effective date of the decision of the National Futures Association pending consideration of the merits of an appeal by filing and serving an appropriate petition. The mere filing of such a petition shall not stay the effective date of the decision. The burden of persuasion shall rest with the party seeking the stay.

(b) Contents. A petition for a stay shall be in writing. Material factual allegations shall be supported by an affidavit or other sworn statement unless the parties stipulate that the material facts are not in dispute.

(c) Response. Within five days of the service of the petition, the National Futures Association may file an opposition to the petition. Material factual allegations shall be supported by an affidavit or other sworn statement unless the parties stipulate that the material facts are not in dispute.

(d) Standards for determining petitions for a stay. In reviewing petitions filed under this section, the Commission shall consider:

1. The likelihood that petitioner’s challenge to the merits of the decision will be successful; and
2. The likelihood that the denial of the petition would result in irreparable harm to the petitioner; and
3. The effect a grant of the petition would have on the National Futures Association; and
4. The effect a grant or denial of the petition would have on the public interest.

(e) Expedited consideration. If the suspension, restriction or remedial action imposed by the National Futures Association in a member responsibility action is effective at the time a petition for a stay is filed with the Commission, the Commission shall not delay its decision on the petition to await the receipt of the National Futures Association’s response. If the decision is not effective at the time the petition is filed, the Commission will not act upon the petition prior to the receipt of a response from the National Futures Association unless, in its view, expedited action on the petition is necessary to protect petitioner’s right to a meaningful determination of the right to a stay. If the Commission grants the petition prior to the receipt of the response of the National Futures Association, the association may seek reconsideration of the Commission’s action within seven days of service of the decision.

§ 171.44  Notice of appeal.

(a) Time to file. Any party aggrieved by a final decision of the National Futures Association in a member responsibility action may, within thirty days of the service of the notice described in §171.42, file with the Proceedings Clerk and serve on the National Futures Association a notice of appeal. The filing of such a notice shall not stay the effective date of the decision.

(b) Contents. The notice of appeal shall meet the content requirements of §171.23(b).

(c) Filing fee. Each notice of appeal must be accompanied by a nonrefundable filing fee of $100. This amount may be paid by check, bank draft or money order, payable to the Commodity Futures Trading Commission.
