include bids and information concerning the identity and number of bids received prior to bid opening; all nonexempt records relating to bids between the time of bid opening and award; and all nonexempt records relating to negotiations in progress involving contracts or agreements for the acquisition or disposal of real or personal property by TVA prior to the conclusion of such negotiations. Any reasonably segregable portion of an available record shall be provided to any person requesting such record after deletion of the portions which are exempt under this paragraph.

§ 1301.8 Business information.

(a) In general. Business information obtained by TVA from a submitter will be disclosed under the FOIA only under this section.

(b) Definitions. For purposes of this section:

(1) Business information means commercial or financial information obtained by TVA from a submitter that may be protected from disclosure under Exemption 4 of the FOIA.

(2) Submitter means any person or entity from whom TVA obtains business information, directly or indirectly. The term includes corporations; state and local governments; and foreign governments.

(c) Designation of business information. A submitter of business information will use good-faith efforts to designate, by appropriate markings, either at the time of submission or at a reasonable time thereafter, any portions of its submission that it considers to be protected from disclosure under Exemption 4 of the FOIA.

(d) Notice to submitters. TVA shall provide a submitter with prompt written notice of a FOIA request or administrative appeal that seeks its business information wherever required under paragraph (e) of this section, except as provided in paragraph (h) of this section, in order to give the submitter an opportunity to object to disclosure of any specified portion of that information under paragraph (f) of this section.

The notice shall either describe the business information requested or include copies of the requested records or record portions containing the information. When notification of a voluminous number of submitters is required, notification may be made by posting or publishing the notice in a place reasonably likely to accomplish notification of submitters.

(e) Where notice is required. Notice shall be given to a submitter wherever:

(1) The information has been designated in good faith by the submitter as information considered protected from disclosure under Exemption 4; or

(2) TVA has reason to believe that the information may be protected from disclosure under Exemption 4.

(f) Opportunity to object to disclosure. TVA will allow a submitter a reasonable time to respond to the notice described in paragraph (d) of this section. If a submitter has any objection to disclosure, it is required to submit a detailed written statement. The statement must specify all grounds for withholding any portion of the information under any exemption of the FOIA and, in the case of Exemption 4, it must show why the information is a trade secret or commercial or financial information that is privileged or confidential. In the event that a submitter fails to respond to the notice within the time specified in it, the submitter will be considered to have no objection to disclosure of the information. Information provided by the submitter that is not received by TVA until after its disclosure decision has been made shall not be considered by TVA. Information provided by a submitter under this paragraph may itself be subject to disclosure under the FOIA.

(g) Notice of intent to disclose. TVA shall consider a submitter’s objections and specific grounds for nondisclosure in deciding whether to disclose business information. Whenever TVA decides to disclose business information over the objection of a submitter, TVA shall give the submitter written notice, which shall include:

(1) A statement of the reason(s) why each of the submitter’s disclosure objections was not sustained;

(2) A description of the business information to be disclosed, and
Tennessee Valley Authority § 1301.10

(3) A specified disclosure date, which shall be a reasonable time subsequent to the notice.

(h) Exceptions to notice requirements. The notice requirements of paragraphs (d) and (g) of this section shall not apply if:

(1) TVA determines that the information should not be disclosed;
(2) The information lawfully has been published or has been officially made available to the public;
(3) Disclosure of the information is required by statute (other than the FOIA) or by applicable regulation; or
(4) The designation made by the submitter under paragraph (c) of this section appears obviously frivolous—except that, in such a case, the component shall, within a reasonable time prior to a specified disclosure date, give the submitter written notice of any final decision to disclose the information.

(i) Notice of FOIA lawsuit. Whenever a requester files a lawsuit seeking to compel the disclosure of business information, TVA shall promptly notify the submitter.

(j) Corresponding notice to requesters. Whenever TVA provides a submitter with notice and an opportunity to object to disclosure under paragraph (d) of this section, TVA shall also notify the requester(s). Whenever a submitter files a lawsuit seeking to prevent the disclosure of business information, TVA shall notify the requester(s).

§ 1301.10 Fees.

(a) In general, TVA shall charge for processing requests under the FOIA in accordance with paragraph (c) of this section, except where fees are limited under paragraph (d) of this section or where a waiver or reduction of fees is granted under paragraph (k) of this section. If the applicable fees are $100 or more, TVA ordinarily will collect all applicable fees before sending copies of requested records to a requester. If the applicable fees are less than $100, TVA ordinarily will bill the requester for the fees in the letter responding to the request and enclosing the requested records. Requesters must pay fees by check or money order made payable to the Tennessee Valley Authority.

§ 1301.10 Fees.

(a) In general, TVA shall charge for processing requests under the FOIA in accordance with paragraph (c) of this section, except where fees are limited under paragraph (d) of this section or where a waiver or reduction of fees is granted under paragraph (k) of this section. If the applicable fees are $100 or more, TVA ordinarily will collect all applicable fees before sending copies of requested records to a requester. If the applicable fees are less than $100, TVA ordinarily will bill the requester for the fees in the letter responding to the request and enclosing the requested records. Requesters must pay fees by check or money order made payable to the Tennessee Valley Authority.

(b) Definitions. For purposes of this section:

(1) Commercial use request means a request from or on behalf of a person who seeks information for a use or purpose that furthers his or her commercial, trade, or profit interests, which can include furthering those interests as you wish, as long as it clearly identifies the TVA determination (including the assigned request number, if known) that you are appealing. An adverse determination by the TVA FOIA Appeal Official will be the final action of TVA.

(b) Responses to appeals. The decision on your appeal will be made in writing within 20 days (excluding Saturdays, Sundays, and legal holidays) after an appeal is received. A decision affirming an adverse determination in whole or in part shall contain a statement of the reason(s) for the affirmance, including any FOIA exemption(s) applied, and will inform you of the FOIA provisions for court review of the decision. If the adverse determination is reversed or modified on appeal, in whole or in part, you will be notified in a written decision and your request will be reprocessed in accordance with that appeal decision.

(c) When appeal is required. If you wish to seek review by a court of any adverse determination, you must first appeal it under this section.
