covering certain animals and poultry and certain animal and poultry products imported into the United States are regulated by requirements and standards prescribed in regulations of the Secretary of Agriculture, Department of Agriculture (see 9 CFR parts 92-96; 19 CFR 12.8 and 12.24).

(j) Wild animals and birds shall be imported under humane and healthful conditions, due regard being given to the accommodations and facilities necessary for the species transported.

(k) When any Customs officer has good reason to believe that wild animals or birds have been imported under inhumane or unhealthful conditions in violation of 18 U.S.C. 42, an immediate investigation shall be made to ascertain whether they have in fact been transported under such conditions. The investigation shall determine the provisions made on the vessel or other conveyance for the accommodation of the animals or birds, the suitability of the boxes, cages, stalls, etc., the space, ventilation, and protection from the elements accorded the animals or birds, the facilities for cleaning, feeding, watering, bedding, and such other services as may be required for the species imported. The investigation shall also determine, the physical condition of such animals or birds and the ratio of dead, crippled, diseased, or starving animals or birds. If necessary, officers of the Animal and Plant Health Inspection Service, Veterinary Services, or Fish and Wildlife Service, or other officers or experts, may be called upon to assist customs officers in the matter.

(l) Unless the port director is satisfied that the provisions of 18 U.S.C. 42 have not been violated, he shall report the matter to the United States attorney for appropriate action.

[T.D. 89–1, 53 FR 51253, Dec. 21, 1988]

§ 12.28 Importation of wild mammals and birds in violation of foreign law.

No imported wild mammal or bird, or part or product thereof, shall be released from Customs custody, except as permitted under §12.26(i) relating to an in-bond movement to a port designated for wildlife entry, if the port director has knowledge of a foreign law or regulation obliging enforcement of section 527(a), Tariff Act of 1930 (19 U.S.C. 1527(a)), unless the importation is an excepted transaction entitled to entry under the provisions of section 527(c) of the Tariff Act or, in connection with the entry, there is presented documentation in the manner specified in 50 CFR 17.4(c) (1) or (2) required for import transactions subject to foreign laws or regulations regarding taking, transportation, or sale of wildlife including wild mammals and birds or parts or products thereof (see §12.26).

§ 12.29 Plumage and eggs of wild birds.

(a) The provisions of Chapter 5, Additional U.S. Note 1, relating to the plumage of any bird, apply to all such plumage, whether imported separately or upon the bird itself, except (1) the feathers of birds specifically excepted by Additional U.S. Note 1 to Chapter 5, Harmonized Tariff Schedule of the United States (HTSUS), (2) plumage imported for scientific or educational purposes, (3) fully-manufactured artificial flies used for fishing, (4) plumage on game birds killed in foreign countries by residents of the United States and not imported for sale or other commercial purposes, and (5) plumage on live wild birds.

(b) The feathers or skins of certain birds may be imported for use in the manufacture of artificial flies used for
§ 12.32 Honeybees and honeybee semen.

(a) Honeybees from any country may be imported into the U.S. by the Department of Agriculture for experimental or scientific purposes. All other

§ 12.30 Whaling.

The importation and exportation of whales or whale products taken or processed in violation of the International Convention for the Regulation of Whaling signed at Washington under date of December 2, 1946 (Publication No. 3383, Department of State, Whaling Convention), or of the Whaling Convention Act of 1949 (16 U.S.C. 916 through 916(1)), or of any regulation issued under the Act (50 CFR part 351) is unlawful. Customs officers and employees shall perform all functions required of them by the above-mentioned convention, law and regulation.

§ 12.31 Plant pests.

The importation in a live state of insects which are injurious to cultivated crops, including vegetables, field crops, bush fruits, and orchard, forest or shade trees, and of the eggs, pupae, or larvae of such insects, except for scientific purposes under regulations prescribed by the Secretary of Agriculture, is prohibited. All packages containing live insects or their eggs, pupae, or larvae arriving from abroad, unless accompanied by a permit issued by the Department of Agriculture, shall be detained and submitted to the U.S. Department of Agriculture, Animal and Plant Health Inspection Service, Plant Protection and Quarantine Programs of that Department for inspection and determination of their admissibility into the United States.

§ 12.32 Honeybees and honeybee semen.

(a) Honeybees from any country may be imported into the U.S. by the Department of Agriculture for experimental or scientific purposes. All other
