§ 146.2 Zone lot. “Zone lot” means a collection of merchandise maintained under an inventory control method based on specific identification of merchandise admitted to a zone by lot. Zone site. “Zone site” means the physical location of a zone or subzone. Zone status. “Zone status” means the status of merchandise admitted to a zone, i.e., nonprivileged foreign, privileged foreign, zone restricted, or domestic.

§ 146.2 Port director as Board representative.

The appropriate port director shall be in charge of the zone as the representative of the Board.

§ 146.3 Customs supervision.

(a) Assignment of Customs officers. Customs officers will be assigned or detailed to a zone as necessary to maintain appropriate Customs supervision of merchandise and records pertaining thereto in the zone, and to protect the revenue. 

(b) Supervision. Customs supervision over any zone or transaction provided for in this part will be in accordance with §101.2(c) of this chapter. The port director may direct a Customs officer to supervise any transaction or procedure at a zone. Supervision may be performed through a periodic audit of the operator’s records, quantity count of goods in a zone inventory, spot check of selected transactions or procedures, or review of recordkeeping, security, or conditions of storage in a zone.

§ 146.4 Operator responsibility and supervision.

(a) Supervision. The operator shall supervise all admissions, transfers, removals, recordkeeping, manipulations, manufacturing, destruction, exhibition, physical and procedural security, and conditions of storage in the zone as required by law and regulations. Supervision by the operator shall be that which a prudent manager of a storage, manipulation, or manufacturing facility would be expected to exercise, and may take into account the degree of supervision exercised by the zone user having physical possession of zone merchandise.

(b) Customs access. The operator shall permit any Customs officer access to a zone.

(c) Safekeeping of merchandise and records. The operator is responsible for safekeeping of merchandise and records concerning merchandise admitted to a zone. The operator, at its liability, may allow the zone importer or owner of the goods to store, safeguard, and otherwise maintain or handle the goods and the inventory records pertaining to them.

(d) Records maintenance. The operator shall (1) maintain the inventory control and recordkeeping system in accordance with the provisions of subpart B, (2) retain all records required in this part and defined in §162.1(a) of this chapter, pertaining to zone merchandise for 5 years after the merchandise is removed from the zone, and (3) protect proprietary information in its custody from unauthorized disclosure. Records shall be readily available for Customs review at the zone.

(e) Merchandise security. The operator shall maintain the zone and establish procedures adequate to ensure the security of merchandise located in the zone in accordance with applicable Customs security standards and specifications.

(f) Storage and handling. The operator shall store and handle merchandise in a zone in a safe and sanitary manner to minimize damage to the merchandise, avoid hazard to persons, and meet local, state, and Federal requirements applicable to a specific kind of goods. All trash and waste will be promptly removed from a zone. Aisles will be established and maintained, and doors and entrances left unblocked for access by Customs officers and other persons in the performance of their official duties.

(g) Guard service. The operator is authorized to provide guards or contract
for guard service to safeguard the merchandise and ensure the security of the zone. This authorization does not limit the authority of the port director to assign Customs guards to protect the revenue under section 4 of the Act (19 U.S.C. 81d).

(b) Miscellaneous responsibilities. The operator is responsible for complying with requirements for admission, manipulation, manufacture, exhibition, or destruction, shortage, or overage; inventory control and recordkeeping systems, transfer to Customs territory, and other requirements as specified in this part. If the operator elects to transfer merchandise from within the district boundaries (see definition of “district” at §112.1) to his zone, he shall receipt for the merchandise at the time he picks it up for transportation to his facility. He becomes liable for the merchandise at that time.

§146.5 [Reserved]

§146.6 Procedure for activation.

(a) Application. A zone operator, or where there is no operator, a grantee, shall make written application to the port director to obtain approval of activation of a zone or zone site. The area to be activated may be all or any portion of the zone approved by the Board. The application must include a description of all the zone sites covered by the application, any operation to be conducted therein, and a statement of the general character of the merchandise to be admitted. The port director may also require the operator or grantee to submit fingerprints on form FD 258 or electronically at the time of filing the application. If the operator is an individual, that individual’s fingerprints may be required. If the operator or grantee is a business entity, fingerprints of all officers and managing officials may be required.

(b) Supporting documents. The application must be accompanied by the following:

(1) [Reserved]

(2) A blueprint of the area approved by the Board to be activated showing area measurements, including all openings and buildings; and all outlets, inlets, and pipelines to any tank for the storage of liquid or similar product, that portion of the blueprint certified to be correct by the operator of the tank;

(3) A gauge table, when appropriate, showing the capacity, in the appropriate unit, of any tank, certified to be correct by the operator of the tank;

(4) A procedures manual describing the inventory control and recordkeeping system that will be used in the zone, certified by the operator or grantee to meet the requirements of subpart B; and

(5) The written concurrence of the grantee, when the operator applies for activation, in the requested zone activation.

(c) Inquiry by port director. As a condition of approval of the application, the port director may order an inquiry by a Customs officer into:

(1) The qualifications, character, and experience of an operator and/or grantee and their principal officers; and

(2) The security, suitability, and fitness of the facility to receive merchandise in a zone status.

(d) Decision of the port director. The port director shall promptly notify the applicant in writing of his decision to approve or deny the application to activate the zone. If the application is denied, the notification will state the grounds for denial which need not be limited to those listed in §146.82. The decision of the port director will be the final Customs administrative determination in the matter. On approval of the application, a Foreign Trade Zone Operator’s Bond shall be executed on Customs Form 301, containing the bond conditions of §113.73 of this chapter.

(e) Activation. Upon the port director’s approval of the application and acceptance of the executed bond, the zone or zone site will be considered activated; and merchandise may be admitted to the zone. Execution of the bond by an operator does not lessen the
