Subpart B—Policy

§170.200 Requirements for program announcements, regulations, and application instructions.

(a) Each agency that makes awards of Federal financial assistance subject to the Transparency Act must include the requirements described in paragraph (b) of this section in each program announcement, regulation, or other issuance containing instructions for applicants:

(1) Under which awards may be made that are subject to Transparency Act reporting requirements; and

(2) That either:

(i) Is issued on or after the effective date of this part; or

(ii) Has application or plan due dates after October 1, 2010.

(b) The program announcement, regulation, or other issuance must require each entity that applies and does not have an exception under §170.110(b) to ensure they have the necessary processes and systems in place to comply with the reporting requirements should they receive funding.

(c) Federal agencies that obtain post-award data on subaward obligations outside of this policy should take the necessary steps to ensure that their recipients are not required, due to the combination of agency-specific and Transparency Act reporting requirements, to submit the same or similar data multiple times during a given reporting period.

§170.220 Award term.

(a) To accomplish the purposes described in §170.100, an agency must include the award term in Appendix A to this part in each award to a non-Federal entity under which the total amount of Federal funding under the award will equal or exceed $25,000. However, the agency must subsequently amend the award to add the award term if changes in circumstances increase the total Federal funding under the award to $25,000 or more during the project or program period.

(b) An agency—

(1) Consistent with paragraph (a) of this section, is not required to include the award term in Appendix A to this part if it determines that there is no possibility that the total amount of Federal funding under the award will equal or exceed $25,000. However, the agency must subsequently amend the award to add the award term if changes in circumstances increase the total Federal funding under the award to $25,000 or more during the project or program period.
