§ 30.812 May a covered Part E employee claim for subsequent periods of compensable wage-loss?

A covered Part E employee previously awarded compensation for wage-loss under §30.811 may file for additional compensation for wage-loss suffered by the employee during periods subsequent to a period for which a wage-loss claim for the employee has already been adjudicated by OWCP. However, no compensation for wage-loss shall be awarded for any period following the year during which the covered Part E employee attained normal retirement age for purposes of the Social Security Act as described in §30.801(b).

SPECIAL RULES FOR CERTAIN SURVIVOR CLAIMS UNDER PART E OF EEOICPA

§ 30.815 Are there special rules that OWCP will use to determine the extent of a deceased covered Part E employee’s compensable wage-loss?

(a) For purposes of adjudicating a claim of a survivor of a deceased covered Part E employee only, OWCP will presume that such employee experienced wage-loss for each calendar year subsequent to the calendar year of his or her death through and including the calendar year in which the employee would have reached normal retirement age under the Social Security Act. During these particular calendar years, OWCP will also presume that the deceased covered Part E employee’s subsequent calendar-year wages did not exceed 50 percent of his or her average annual wage as determined under §30.810.

(b) Except as provided in paragraph (a) of this section, OWCP will calculate the wage-loss of a deceased covered Part E employee in conformance with the provisions of §§30.800 through 30.811.

(c) If OWCP determines that a deceased covered Part E employee had an aggregate of not less than ten calendar years of adjusted earnings that did not exceed 50 percent of his or her average annual earnings, it will pay the eligible surviving beneficiary(s) additional compensation in the amount of $25,000 pursuant to section 7385s–3(a)(2) of the Act. In the alternative, if OWCP determines that the aggregate number of such years is not less than 20 years, it will pay the eligible surviving beneficiary(s) additional compensation in the amount of $50,000 pursuant to section 7385s–3(a)(3).

Subpart J—Impairment Benefits Under Part E of EEOICPA

GENERAL PROVISIONS

§ 30.900 Who can receive impairment benefits under Part E?

In order to receive impairment benefits under Part E, the employee must show that:

(a) He or she is a covered Part E employee who has been determined to have contracted a covered illness through exposure to a toxic substance at a DOE facility or a RECA section 5 facility, as appropriate, pursuant to either §§30.210 through 30.215 or §§30.230 through 30.222 of these regulations; and

(b) He or she has been determined to have an impairment, pursuant to the regulations set out in this subpart, that is the result of the covered illness referred to in paragraph (a) of this section.

§ 30.901 How does OWCP determine the extent of an employee’s impairment that is due to a covered illness contracted through exposure to a toxic substance at a DOE facility or a RECA section 5 facility, as appropriate?

(a) OWCP will determine the amount of impairment benefits to which an employee is entitled based on one or more impairment evaluations submitted by physicians. An impairment evaluation shall contain the physician’s opinion on the extent of whole person impairment of all organs and body functions of the employee that are compromised or otherwise affected by the employee’s covered illness or illnesses, which shall be referred to as a “minimum impairment rating.”

(b) The minimum impairment rating shall be determined in accordance with the current edition of the American Medical Association’s Guides to the Evaluation of Permanent Impairment (AMA’s Guides). In making impairment
§ 30.902 How will OWCP calculate the amount of the award of impairment benefits that is payable under Part E?

OWCP will multiply the percentage points of the minimum impairment rating by $2,500 to calculate the amount of the award.

§ 30.905 How may an impairment evaluation be obtained?

(a) Except as provided in paragraph (b) of this section, OWCP may request that an employee undergo an evaluation of his or her permanent impairment that specifies the percentage points that are the result of the employee’s covered illness or illnesses. To be of any probative value, such evaluation must be performed by a physician who meets the criteria OWCP has identified for physicians performing impairment evaluations for the pertinent covered illness or illnesses in accordance with the AMA’s Guides.

(b) In lieu of submitting an evaluation requested by OWCP under paragraph (a) of this section, an employee may obtain an impairment evaluation at his own initiative and submit it to OWCP for consideration. Such an evaluation will be deemed to have sufficient probative value to be considered in the adjudication of impairment benefits by OWCP only if:

(1) The evaluation was performed by a physician who meets the criteria identified by OWCP for the covered illness or illnesses in question;

(2) The evaluation was performed no more than one year before the date that it was received by OWCP; and

(3) The evaluation conforms to all applicable requirements set out in this part.

§ 30.906 Who will pay for an impairment evaluation?

(a) OWCP will pay for one impairment evaluation obtained by an employee if it meets the criteria set out in §30.905(b), unless it was performed by a physician prior to the date that the claim for Part E benefits is filed, or obtained for a claim in which OWCP finds that the employee did not contract a covered illness. At its discretion, OWCP may direct that the employee undergo additional evaluations. OWCP will pay for any such additional evaluations and will reimburse the employee for any reasonable and necessary costs incident to the evaluations, as described in §§30.404 and 30.412 of this part.

(b) Except for one impairment evaluation obtained pursuant to §30.905(b) and meeting the criteria set out in §30.905(b)(1), (2) and (3), the employee must pay for any impairment evaluations not directed by OWCP.

§ 30.907 Can an impairment evaluation obtained by OWCP be challenged prior to issuance of the recommended decision?

(a) An employee may submit arguments challenging an impairment evaluation, and/or additional medical evidence of impairment, before the district office issues a recommended decision on his or her claim. However, the district office will not consider an additional impairment evaluation, even if it differs from the impairment evaluation obtained under §30.905 or §30.906, if it does not meet the criteria listed in §30.905(b)(1), (2) and (3).

(b) If the district office obtains an additional impairment evaluation that differs from the impairment evaluation obtained under §30.905 or §30.906, the district office will base its recommended determinations regarding
