Subpart H—Supportive Services

§ 663.800 What are supportive services for adults and dislocated workers?

Supportive services for adults and dislocated workers are defined at WIA sections 101(46) and 134(e)(2) and (3). They include services such as transportation, child care, dependent care, housing, and needs-related payments, that are necessary to enable an individual to participate in activities authorized under WIA title I. Local Boards, in consultation with the One-Stop partners and other community service providers, must develop a policy on supportive services that ensures resource and service coordination in the local area. Such policy should address procedures for referral to such services, including how such services will be funded when they are not otherwise available from other sources. The provision of accurate information about the availability of supportive services in the local area, as well as referral to such activities, is one of the core services that must be available to adults and dislocated workers through the One-Stop delivery system. (WIA sec. 134(d)(2)(H)).

§ 663.805 When may supportive services be provided to participants?

(a) Supportive services may only be provided to individuals who are:
(1) Participating in core, intensive or training services; and
(2) Unable to obtain supportive services through other programs providing such services. (WIA sec. 134(e)(2)(A) and (B).)
(b) Supportive services may only be provided when they are necessary to enable individuals to participate in title I activities. (WIA sec. 101(46).)

§ 663.810 Are there limits on the amounts or duration of funds for supportive services?

(a) Local Boards may establish limits on the provision of supportive services or provide the One-Stop operator with the authority to establish such limits, including a maximum amount of funding and maximum length of time for supportive services to be available to participants.
(b) Procedures may also be established to allow One-Stop operators to grant exceptions to the limits established under paragraph (a) of this section.

§ 663.815 What are needs-related payments?

Needs-related payments provide financial assistance to participants for the purpose of enabling individuals to participate in training and are one of the supportive services authorized by WIA section 134(e)(3).

§ 663.820 What are the eligibility requirements for adults to receive needs-related payments?

Adults must:
(a) Be unemployed,
