§9a.1 Security of certain information and material related to the International Energy Program.

These regulations implement Executive Order 11932 dated August 4, 1976 (41 FR 32691, August 5, 1976) entitled "Classification of Certain Information and Material Obtained from Advisory Bodies Created to Implement the International Energy Program."

§9a.2 General policy.

(a) The United States has entered into the Agreement on an International Energy Program of November 18, 1974, which created the International Energy Agency (IEA). This program is a substantial factor in the conduct of our foreign relations and an important element of our national security. The effectiveness of the Agreement depends significantly upon the provision and exchange of information and material by participants in advisory bodies created by the IEA. Confidentiality is essential to assure the free and open discussion necessary to accomplish the tasks assigned to those bodies.

(b) These regulations establish procedures for the classification, declassification, storage, access, and dissemination of certain information related to the International Energy Program.

§9a.3 Scope.

These regulations apply to all information and material classified by the United States under the provisions of E.O. 11932, dated August 4, 1976 entitled "Classification of Certain Information and Material Obtained From Advisory Bodies Created To Implement The International Energy Program."

§9a.4 Classification.

(a) Section 1 of E.O. 11932, August 4, 1976 directs that information and material obtained pursuant to the International Energy Program and which requires protection against unauthorized disclosure in the interest of the

22 CFR Ch. I (4-1-13 Edition)

national defense or foreign relations of the United States shall be classified pursuant to Executive Order 11652.

(b) Information and material, including transcripts, records, and communications, in the possession of the United States Government which has been obtained pursuant to (1) section 252(c)(3), (d)(2) or (e)(3) of the Energy Policy and Conservation Act (89 Stat. 871, 42 U.S.C. 6272(c)(3), (d)(2), (e)(3)), or (2) The Voluntary Agreement and Program Relating to the International Energy Program (40 FR 16041, April 8, 1975), or (3) the Voluntary Agreement and Plan of Action to Implement the International Energy Program (41 FR 13998, April 1, 1976), or (4) Any similar Voluntary Agreement and Program entered into under the Energy Policy and Conservation Act shall be reviewed by an officer of the Department of State with classifying authority for the purpose of determining whether such information or material should be classified pursuant to E.O. 11652. If the officer determines that the information or material warrants classification, he shall assign it the appropriate classification. Such information or material may be exempted from the General Declassification Schedule established by section 5 of Executive Order No. 11652 if it was obtained by the United States on the understanding that it be kept in confidence, or if it might otherwise be exempted under section 5(B) of such Order.

(c) In classifying such information or material, officers of the Department of State shall follow the standards in E.O. 11652 and the provisions of 22 CFR 9.5 through 9.8.

§9a.5 Declassification and downgrading.

The provisions of E.O. 11652, 22 CFR 9.9 through 9.15, and 9a.4(b) shall govern declassification and downgrading of such information or material.

§9a.6 Marking.

(a) The provisions of 22 CFR 9.15 through 9.19 shall govern the marking of information or material classified under the provisions of these regulations, except that the following stamp shall be used as appropriate:

(Top Secret, Secret or Confidential)
