PART 706—FREEDOM OF INFORMATION

Subpart A—General

§ 706.11 General provisions.

(b) Policy. OPIC’s policy is to make its records available to the public to the greatest extent possible, in keeping with the spirit of the FOIA. This policy includes providing reasonably segregable information from records that also contain information that may be withheld under the FOIA. However, implementation of this policy also reflects OPIC’s view that the soundness and viability of many of its programs depend in large measure upon full and reliable commercial, financial, technical and business information received from applicants for OPIC assistance and that the willingness of those applicants to provide such information depends on OPIC’s ability to hold it in confidence. Consequently, except as provided by law and this part, information provided to OPIC in confidence will not be disclosed without the submitter’s consent.

(c) Scope. This regulation applies to all agency records in OPIC’s possession.
