§ 84.11 Pre-award policies.

(a) Use of Grants and Cooperative Agreements, and Contracts. In each instance, HUD shall decide on the appropriate award instrument (i.e., grant, cooperative agreement, or contract). The Federal Grant and Cooperative Agreement Act (31 U.S.C. 6301-08) governs the use of grants, cooperative agreements and contracts. A grant or cooperative agreement shall be used only when the principal purpose of a transaction is to accomplish a public purpose of support or stimulation authorized by Federal statute. The statutory criterion for choosing between grants and cooperative agreements is that for the latter, “substantial involvement is expected between the executive agency and the State, local government, or other recipient when carrying out the activity contemplated in the agreement.” Contracts shall be used when the principal purpose is acquisition of property or services for the direct benefit or use of the Federal Government.

(b) Public Notice and Priority Setting. HUD shall notify the public of its intended funding priorities for discretionary grant programs, unless funding priorities are established by Federal statute.

(a) HUD shall comply with the applicable report clearance requirements of 5 CFR part 1320, “Controlling Paperwork Burdens on the Public,” with regard to all forms used by HUD in place of or as a supplement to the Standard Form 424 (SF-424) series.

(b) Applicants shall use the SF-424 series or those forms and instructions prescribed by HUD.

(c) For Federal programs covered by E.O. 12372, “Intergovernmental Review of Federal Programs,” the applicant shall complete the appropriate sections of the SF-424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from the Catalog of Federal Domestic Assistance. The SPOC shall advise the applicant whether the program for which application is made has been selected by that State for review.

§ 84.13 Debarment and suspension; Drug-Free Workplace.

(a) Recipients and subrecipients shall comply with the governmentwide non-procurement debarment and suspension requirements in 2 CFR part 2424. These governmentwide requirements restrict subawards and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in federal assistance programs or activities.

(b) Recipients and subrecipients shall comply with the requirements of the Drug-Free Workplace Act of 1988 (41 U.S.C. 701, et seq.), as set forth at 2 CFR part 2429.

(c) Has a management system that does not meet the standards prescribed in this part;

(d) Has not conformed to the terms and conditions of a previous award; or

(e) Is not otherwise responsible, HUD may impose additional requirements as needed, provided that such applicant or recipient is notified in writing as to: the nature of the additional requirements, the reason why the additional requirements are being imposed, the nature of the corrective action needed, the time allowed for completing the corrective actions, and the method for requesting reconsideration of the additional requirements imposed. Any special conditions shall be promptly removed once the conditions that prompted them have been corrected.

If a recipient maintains its records on other than an accrual basis, the recipient shall not be required to establish an accrual accounting system. These recipients may develop such accrual data for their reports on the basis of an analysis of the documentation on hand.

(2) Records that identify adequately the source and application of funds for federally-sponsored activities. These records shall contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.
