All of the definitions contained in §232.500 shall apply to this subpart. In addition, as used in this subpart, the following term shall have the meaning indicated:

(a) Contract of insurance means the agreement evidenced by the endorsement of the Commissioner upon the note given in connection with an insured loan and includes the provisions of this subpart and the applicable provisions of the Act.

(b) Maturity means the date on which the loan indebtedness would be extinguished if paid in accordance with periodic payments provided for in the loan.

§ 232.616 Disclosure and verification of Social Security and Employer Identification Numbers.

(Approved by the Office of Management and Budget under control number 2502–0118)

§ 232.620 Determination of compliance by HHS.

An application under this subpart must be accompanied by a statement from the Secretary of Health and Human Services, or his designee, that the Secretary has determined that the physical plant of the facility, when the fire safety equipment has been installed, will be in compliance with the HHS requirements for fire safety and will meet other pertinent health and safety requirements of HHS for providers of services under title XVIII and XIX of the Social Security Act (Medicare and Medicaid). In lieu of a facility being able to meet HHS’s requirements for other pertinent health and safety requirements at the time of application, HHS may accept a list of deficiencies from the State Agency responsible for determining compliance with HHS’s requirements for such services along with a plan prepared by the applicant for correcting those deficiencies. In such event, HHS will inform HUD that, if the facility complies with such plan, the facility will meet the applicable health and safety requirements of HHS for providers of services under titles XVIII and XIX of the Social Security Act upon the installation of the fire safety equipment. The architectural exhibits, as approved, by HHS, together with any commitment requirements HHS deems appropriate, must accompany the statement. In the case of Intermediate Care Facilities, the statement by HHS to HUD will be based upon a determination that the facility has been approved in accordance with applicable HHS statutes and regulations, subject to the proper installation of the proposed equipment.

§ 232.625 Discrimination prohibited.

Any contract or subcontract executed for the installation of equipment, or construction of improvements to the project shall provide that there shall be no discrimination against any employee or applicant for employment because of sex, religion, race, color, creed or national origin.

§ 232.630 Assurance of completion.

If the property upon which the fire safety equipment is to be installed is subject to a mortgage insured or held by the Commissioner pursuant to subpart B of this part, the Commissioner may require such assurance of completion of the contract for installation as he may from time to time prescribe.
