can be provided, the recipient or sub-recipient must suspend or terminate the rental assistance payments for the unit. If the payments are suspended, the individual or family may remain in the assisted unit as permitted under the lease, and the recipient or sub-recipient may resume payments if the individual or family again becomes eligible and needs further rental assistance. If the payments are terminated, the rental assistance may be transferred to another available unit in the same building, provided that the other unit meets all ESG requirements.

(5) The rental assistance agreement must have an initial term of one year. When a new program participant moves into an assisted unit, the term of the rental assistance agreement may be extended to cover the initial term of the program participant’s lease. If the program participant’s lease is renewed, the rental assistance agreement may be renewed or extended, as needed, up to the maximum number of months for which the program participant remains eligible. However, under no circumstances may the recipient or sub-recipient commit ESG funds to be expended beyond the expenditure deadline in §576.203 or commit funds for a future ESG grant before the grant is awarded.

(j) Changes in household composition. The limits on the assistance under this section apply to the total assistance an individual receives, either as an individual or as part of a family.

(2) Territories, metropolitan cities, and urban counties. If the recipient is a territory, metropolitan city, or urban county, the recipient may share its funds for administrative costs with its subrecipients.
