(2) The PHA either may pay the utility reimbursement to the family or may pay the utility bill directly to the utility supplier on behalf of the family.

(3) If the PHA chooses to pay the utility supplier directly, the PHA must notify the family of the amount paid to the utility supplier.

§ 983.354 Other fees and charges.

(a) Meals and supportive services. (1) Except as provided in paragraph (a)(2) of this section, the owner may not require the tenant or family members to pay charges for meals or supportive services. Non-payment of such charges is not grounds for termination of tenancy.

(2) In assisted living developments receiving project-based assistance, owners may charge tenants, family members, or both for meals or supportive services. These charges may not be included in the rent to owner, nor may the value of meals and supportive services be included in the calculation of reasonable rent. Non-payment of such charges is grounds for termination of the lease by the owner in an assisted living development.

(b) Other charges by owner. The owner may not charge the tenant or family members extra amounts for items customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants in the premises.

(2) The purpose of this part is to implement the policies and procedures applicable to operation of a local FSS program, as established under section 23 of the 1937 Act (42 U.S.C. 1437u), under HUD’s rental voucher, rental certificate, and public housing programs.

(b) Scope. (1) Each PHA that received funding for public housing units under the FY 1991 and FY 1992 FSS incentive award competitions must operate a public housing FSS program.

The Department will measure the success of a local FSS program not only by the number of families who achieve self-sufficiency, but also by the number of FSS families who, as a result of participation in the program, have family members who obtain their first job, or who obtain higher paying jobs; no longer need benefits received under one or more welfare programs; obtain a high school diploma or higher education degree; or accomplish similar goals that will assist the family in obtaining economic independence.

§ 984.105 Minimum program size.

(a) FSS program size—(1) Minimum program size requirement. A PHA must operate an FSS program of the minimum program size determined in accordance with paragraph (b) of this section.

(2) How to determine FSS minimum program size—(i) Public housing. The minimum size of a PHA’s public housing FSS program is equal to the number of public housing units specified below:
   (I) The total number of public housing units reserved in FY 1993 through October 20, 1998; plus
   (II) The number of public housing units reserved in FY 1991 and FY 1992 under the FSS incentive award competition; minus
   (III) The number of families that have graduated from the PHA’s public housing FSS program on or after October 21, 1998, by fulfilling their FSS contract of participation obligations.

(2) Section 8. The minimum size of a PHA’s Section 8 FSS program is equal to the number of Section 8 certificate and voucher program units as calculated below:
   (I) Units included. (A) The number of rental certificates and rental voucher units reserved under the combined FY 1991-1992 FSS incentive award competition; plus
   (B) The number of additional rental certificates and rental voucher units reserved in FY 1993 through October 20, 1998 (not including the renewal of funding for units previously reserved), minus such units that are excluded from minimum program size in accordance with paragraph (b)(2)(ii) of this section; minus
   (C) The number of families who have graduated from the PHA’s Section 8 FSS program on or after October 21, 1998, by fulfilling their contract of participation obligations.

(2) How to determine FSS minimum program size—(ii) Units excluded. When determining a PHA’s minimum Section 8 FSS program size, funding reserved in FY 1993 through October 20, 1998 for the following program categories is excluded (except as provided in paragraph (b)(2)(ii)(B) of this section):

   (B) Funding for families affected by demolition or disposition of a public housing project or replacement of a public housing project;
   (C) Funding for families affected by conversion of assistance from the Section 23 leased housing or housing assistance payments programs to the Section 8 program;
   (D) Funding for families affected by the sale of a HUD-owned project; and
   (E) Funding for families affected by the prepayment of a mortgage or voluntary termination of mortgage insurance.

(3) Maintaining minimum program size. The minimum program size for a PHA’s public housing or Section 8 FSS program is reduced by one slot for each family that graduates from the FSS program by fulfilling its FSS contract of participation on or after October 21, 1998. If an FSS slot is vacated by a family that has not completed its FSS contract of participation obligations, the slot must be filled by a replacement family which has been selected in accordance with the FSS family selection procedures set forth in §984.203.

(b) Exception to program operation. (1) Upon approval by HUD, a PHA will not be required to establish and carry out a public housing or a Section 8 FSS program if the PHA provides to HUD a
certification, as defined in §984.103, that the establishment and operation of such an FSS program is not feasible because of local circumstances, which may include, but are not limited to:

(i) Lack of accessible supportive services funding, including lack of the availability of programs under JTPA or JOBS;

(ii) Lack of funding for reasonable administrative costs;

(iii) Lack of cooperation by other units of State or local government; or

(iv) Lack of interest in participating in the FSS program on the part of eligible families.

(2) An exception will not be granted if HUD determines that local circumstances do not preclude the PHA from effectively operating an FSS program that is smaller than the minimum program size.

(d) Reduction in program size. Upon approval by HUD, a PHA may be permitted to operate a public housing or a Section 8 FSS program that is smaller than the minimum program size if the PHA provides to HUD a certification, as defined in §984.103, that the operation of an FSS program of the minimum program size is not feasible because of local circumstances, which may include, but are not limited to:

(1) Decrease in or lack of accessible supportive services, including decrease in the availability of programs under JTPA or JOBS;

(2) Decrease in or lack of funding for reasonable administrative costs;

(3) Decrease in or lack of cooperation by other units of State or local government;

(4) Decrease in or lack of interest in participating in the FSS program on the part of eligible families.

(e) Expiration of exception. A full or partial exception to the FSS minimum program size requirement (approved by HUD in accordance with paragraph (c) or (d) of this section) expires three years from the date of HUD approval of the exception. If a PHA seeks to continue an exception after its expiration, the PHA must submit a new request and a new certification to HUD for consideration.

(f) Review of certification records. HUD reserves the right to examine, during its management review of the PHA, or at any time, the documentation and data that a PHA relied on in certifying to the unfeasibility of its establishing and operating an FSS program, or of operating an FSS program of less than minimum program size.

Subpart B—Program Development and Approval Procedures

§ 984.201 Action Plan.

(b) Development of Action Plan. The Action Plan shall be developed by the PHA in consultation with the chief executive officer of the applicable unit of general local government, and the Program Coordinating Committee.

(c) Plan submission—(1) Initial submission—(i) Mandatory program. Unless the dates stated in paragraph (c) of this section are extended by HUD for good cause, a PHA that is establishing its first FSS program must submit an Action Plan to HUD for approval within 90 days after the PHA receives notice from HUD of:

(A) Approval of the PHA’s application for incentive award units; or

(B) Approval of other funding that establishes the obligation to operate an FSS program, if the PHA did not receive FSS incentive award units.

(ii) Voluntary program. The PHA must submit its Action Plan and obtain HUD approval of the plan before the PHA implements a voluntary FSS program, including a program that exceeds the minimum size for a mandatory program.

(2) Revision. Following HUD’s initial approval of the Action Plan, no further approval of the Action Plan is required unless the PHA proposes to make policy changes to the Action Plan or increase the size of a voluntary program; or HUD requires other changes. The PHA must submit any changes to the Action Plan to HUD for approval.
(d) Contents of Plan. The Action Plan shall describe the policies and procedures of the PHA for operation of a local FSS program, and shall contain, at a minimum, the following information:

(4) FSS family selection procedures. A statement indicating the procedures to be utilized to select families for participation in the FSS program, subject to the requirements governing the selection of FSS families, set forth in §984.203. This statement must include a description of how the PHA’s selection procedures ensure that families will be selected without regard to race, color, religion, sex, handicap, familial status, or national origin.

(5) Incentives to encourage participation—a description of the incentives that the PHA intends to offer eligible families to encourage their participation in the FSS program (incentives plan). The incentives plan shall provide for the establishment of the FSS account in accordance with the requirements set forth in §984.305, and other incentives, if any, designed by the PHA. The incentives plan shall be part of the Action Plan.

(6) Outreach efforts. A description of:

(i) The PHA’s efforts, including notification and outreach efforts, to recruit FSS participants from among eligible families; and

(ii) The PHA’s actions to be taken to assure that both minority and non-minority groups are informed about the FSS program, and how the PHA will make this information known.

(7) FSS activities and supportive services. A description of the activities and supportive services to be provided by both public and private resources to FSS families, and identification of the public and private resources which are expected to provide the supportive services.

(8) Method for identification of family support needs. A description of how the FSS program will identify the needs and deliver the services and activities according to the needs of the FSS families;

(9) Program termination; withholding of services; and available grievance procedures. A description of the PHA’s policies concerning: terminating participation in the FSS program, withholding of supportive services, or terminating or withholding Section 8 assistance, on the basis of a family’s failure to comply with the requirements of the contract of participation; and the grievance and hearing procedures available for FSS families.

(10) Assurances of non-interference with rights of non-participating families. (11) Timetable for program implementation. A timetable for implementation of the FSS program, as provided in §984.301(a)(1), including the schedule for filling FSS slots with eligible FSS families, as provided in §984.301;

(12) Certification of coordination. A certification that development of the services and activities under the FSS program has been coordinated with the JOBS Program; the programs provided under the JTPA; and any other relevant employment, child care, transportation, training, and education programs (e.g., Job Training for the Homeless Demonstration program) in the applicable area, and that implementation will continue to be coordinated, in order to avoid duplication of services and activities; and

(13) Optional additional information. Such other information that would
help HUD determine the soundness of the PHA’s proposed FSS program.

(e) Eligibility of a combined program. A PHA that wishes to operate a joint FSS program with other PHAs may combine its resources with one or more PHAs to deliver supportive services under a joint Action Plan that will provide for the establishment and operation of a combined FSS program that meets the requirements of this part.

(f) Single action plan. PHAs implementing both a Section 8 FSS program and a public or Indian housing FSS program may submit one Action Plan.

§ 984.202 Program Coordinating Committee (PCC).

(a) General. Each participating PHA must establish a PCC whose functions will be to assist the PHA in securing commitments of public and private resources for the operation of the FSS program within the PHA’s jurisdiction, including assistance in developing the Action Plan and in implementing the program.

(b) Membership—(1) Required membership. The PCC must: (i) For a public housing FSS program, consist of representatives of the PHA, and the residents of public housing. The public housing resident representatives shall be solicited from one or more of the following groups:
   (A) An area-wide or city-wide resident council, if one exists;
   (B) If the PHA will be transferring FSS participants to vacant units in a specific public housing development, the resident council or resident management corporation, if one exists, of the public housing development where the public housing FSS program is to be carried out;
   (C) Any other public housing resident group, which the PHA believes is interested in the FSS program, and would contribute to the development and implementation of the FSS program; and
   (ii) For a Section 8 FSS program, consist of representatives of the PHA, and of residents assisted under the section 8 rental certificate or rental voucher program or under HUD’s public or Indian housing programs.

(2) Recommended membership. Membership on the PCC also may include representatives of the unit of general local government served by the PHA, local agencies (if any) responsible for carrying out JOBS training programs, or programs under the JTPA, and other organizations, such as other State, local or tribal welfare and employment agencies, public and private education or training institutions, child care providers, nonprofit service providers, private business, and any other public and private service providers with resources to assist the FSS program.

(c) Alternative committee. The PHA may, in consultation with the chief executive officer of the unit of general local government served by the PHA, utilize an existing entity as the PCC if the membership of the existing entity consists or will consist of the individuals identified in paragraph (b)(1) of this section, and also includes individuals from the same or similar organizations identified in paragraph (b)(2) of this section.

§ 984.203 FSS family selection procedures.

(a) Preference in the FSS selection process. A PHA has the option of giving a selection preference for up to 50 percent of its public housing FSS slots and of its Section 8 FSS slots respectively to eligible families, as defined in §984.103, who have one or more family members currently enrolled in an FSS related service program or on the waiting list for such a program. The PHA may limit the selection preference given to participants in and applicants for FSS related service programs to one or more eligible FSS related service programs. A PHA that chooses to exercise the selection preference option must include the following information in its Action Plan:

(1) The percentage of FSS slots, not to exceed 50 percent of the total number of FSS slots for each of its FSS programs, for which it will give a selection preference;

(2) The FSS related service programs to which it will give a selection preference to the programs’ participants and applicants; and

(3) The method of outreach to, and selection of, families with one or more
members participating in the identified programs.
(b) FSS selection without preference. For those FSS slots for which the PHA chooses not to exercise the selection preference provided in paragraph (a) of this section, the FSS slots must be filled with eligible families in accordance with an objective selection system, such as a lottery, the length of time living in subsidized housing, or the date the family expressed an interest in participating in the FSS program. The objective system to be used by the PHA must be described in the PHA’s Action Plan.
(c) Motivation as a selection factor—(1) General. A PHA may screen families for interest, and motivation to participate in the FSS program, provided that the factors utilized by the PHA are those which solely measure the family’s interest, and motivation to participate in the FSS program.
(2) Permissible motivational screening factors. Permitted motivational factors include requiring attendance at FSS orientation sessions or preselection interviews, and assigning certain tasks which indicate the family’s willingness to undertake the obligations which may be imposed by the FSS contract of participation. However, any tasks assigned shall be those which may be readily accomplishable by the family, based on the family members’ educational level, and disabilities, if any. Reasonable accommodations must be made for individuals with mobility, manual, sensory, speech impairments, mental or developmental disabilities.
(3) Prohibited motivational screening factors. Prohibited motivational screening factors include the family’s educational level, educational or standardized motivational test results, previous job history or job performance, credit rating, marital status, number of children, or other factors, such as sensory or manual skills, and any factors which may result in discriminatory practices or treatment toward individuals with disabilities or minority or non-minority groups.

§ 984.204 On-site facilities.
Each PHA may, subject to the approval of HUD, make available and utilize common areas or unoccupied dwelling units in public housing projects (or for IHAs, in Indian housing projects) to provide supportive services under an FSS program, including a Section 8 FSS program.

Subpart C—Program Operation

§ 984.301 Program implementation.
(a) Program implementation deadline—(1) Voluntary program. There is no deadline for implementation of a voluntary program. A voluntary program, however, may not be implemented before the requirements of §984.201 have been satisfied.
(2) Mandatory program—(i) Program start-up. Except as provided in paragraph (a)(3) of this section, operation of a local FSS program must begin within 12 months of the earlier of notification to the PHA of HUD’s approval of the incentive award units or of other funding that establishes the obligation to operate an FSS program. Operation means that activities such as outreach, participant selection, and enrollment have begun. Full delivery of the supportive services to be provided to the total number of families required to be served under the program need not occur within 12 months, but must occur by the deadline set forth in paragraph (a)(2) of this section.
(ii) Full enrollment and delivery of service. Except as provided in paragraph (a)(3) of this section, the PHA must have completed enrollment of the total number of families required to be served under the FSS program (based on the minimum program size), and must have begun delivery of the supportive services within two years from the date of notification of approval of the application for new public housing units for a public housing FSS program or for new rental certificates or rental vouchers for a Section 8 FSS program.
(iii) Extension of program deadlines for good cause. HUD may extend the deadline set forth in either paragraph (a)(1) or paragraph (a)(2) of this section if the PHA requests an extension, and HUD determines that, despite best efforts on the part of the PHA, the development of new public housing units will not occur within the deadlines set forth in this paragraph (a), the commitment by public or private resources to deliver
§ 984.303 Contract of participation.

(a) General. Each family that is selected to participate in an FSS program must enter into a contract of participation with the PHA that operates the FSS program in which the family will participate. The contract of participation shall be signed by the head of the FSS family.

(b) Form and content of contract—(1) General. The contract of participation, which incorporates the individual training and services plan(s), shall be in the form prescribed by HUD, and shall set forth the principal terms and conditions governing participation in the FSS program, including the rights and responsibilities of the FSS family and of the PHA, the services to be provided to, and the activities to be completed by, the head of the FSS family and each adult member of the family who elects to participate in the program.

(2) Interim goals. The individual training and services plan, incorporated in the contract of participation, shall establish specific interim and final goals by which the PHA, and the family, may measure the family’s progress toward fulfilling its obligations under the contract of participation, and becoming self-sufficient. For each participating FSS family that is a recipient of welfare assistance, the PHA must establish as an interim goal that the family become independent from welfare assistance and remain independent from welfare assistance at least one year before the expiration of the term of the contract of participation, including any extension thereof.

(3) Compliance with lease terms. The contract of participation shall provide that one of the obligations of the FSS family is to comply with the terms and conditions of the respective public housing lease or Section 8-assisted lease.

(4) Employment obligation—(i) Head of family’s obligation. The head of the FSS family shall be required under the contract of participation to seek and maintain suitable employment during the term of the contract and any extension thereof. Although other members of the FSS family may seek and maintain employment during the term of the contract, only the head of the FSS family is required to seek and maintain suitable employment.

(ii) Seek employment. The obligation to seek employment means that the head of the FSS family has applied for employment, attended job interviews, and has otherwise followed through on employment opportunities.

(iii) Determination of suitable employment. A determination of suitable employment shall be made by the PHA based on the skills, education, and job training of the individual that has been designated the head of the FSS family, and based on the available job opportunities within the jurisdiction served by the PHA.
(5) Consequences of noncompliance with the contract. The contract of participation shall specify that if the FSS family fails to comply, without good cause, with the terms and conditions of the contract of participation, which includes compliance with the public housing lease or the Section 8-assisted lease, the PHA may:

(i) Withhold the supportive services;

(ii) Terminate the family’s participation in the FSS program; or

(iii) For the Section 8 FSS program, terminate or withhold the family’s Section 8 assistance, except in the case where the only basis for noncompliance with the contract of participation is noncompliance with the lease, or failure to become independent from welfare assistance. However, failure to become independent from welfare assistance because of failure of the head of household to meet the employment obligation described in paragraph (a)(4) of this section, or failure of the FSS family to meet any other obligation under the contract of participation, except the interim goal concerning welfare assistance, is grounds for the PHA to terminate or withhold Section 8 assistance.

(c) Contract term. The contract of participation shall provide that each FSS family will be required to fulfill those obligations to which the participating family has committed itself under the contract of participation no later than 5 years after the effective date of the contract.

(d) Contract extension. The PHA shall, in writing, extend the term of the contract of participation for a period not to exceed two years for any FSS family that requests, in writing, an extension of the contract, provided that the PHA finds that good cause exists for granting the extension. The family’s written request for an extension must include a description of the need for the extension. As used in this paragraph (d), “good cause” means circumstances beyond the control of the FSS family, as determined by the PHA, such as a serious illness or involuntary loss of employment. Extension of the contract of participation will entitle the FSS family to continue to have amounts credited to the family’s FSS account in accordance with §984.304.

(e) Unavailability of supportive services—(1) Good faith effort to replace unavailable services. If a social service agency fails to deliver the supportive services pledged under an FSS family member’s individual training and services plan, the PHA shall make a good faith effort to obtain these services from another agency.

(2) Assessment of necessity of services. If the PHA is unable to obtain the services from another agency, the PHA shall reassess the family member’s needs, and determine whether other available services would achieve the same purpose. If other available services would not achieve the same purpose, the PHA shall determine whether the unavailable services are integral to the FSS family’s advancement or progress toward self-sufficiency. If the unavailable services are:

(i) Determined not to be integral to the FSS family’s advancement toward self-sufficiency, the PHA shall revise the individual training and services plan to delete these services, and modify the contract of participation to remove any obligation on the part of the FSS family to accept the unavailable services, in accordance with paragraph (f) of this section; or

(ii) Determined to be integral to the FSS family’s advancement toward self-sufficiency (which may be the case if the affected family member is the head of the FSS family), the PHA shall declare the contract of participation null and void. Nullification of the contract of participation on the basis of unavailability of supportive services shall not be grounds for termination of Section 8 assistance.

(f) Modification. The PHA and the FSS family may mutually agree to modify the contract of participation. The contract of participation may be modified in writing with respect to the individual training and services plans, the contract term in accordance with paragraph (d) of this section, and designation of the head of the family.

(g) Completion of the contract. The contract of participation is considered to be completed, and a family’s participation in the FSS program is considered to be concluded when one of the following occurs:
(1) The FSS family has fulfilled all of its obligations under the contract of participation on or before the expiration of the contract term, including any extension thereof; or

(2) 30 percent of the monthly adjusted income of the FSS family equals or exceeds the published existing housing fair market rent for the size of the unit for which the FSS family qualifies based on the PHA’s occupancy standards. The contract of participation will be considered completed and the family’s participation in the FSS program will be concluded on this basis even though the contract term, including any extension thereof, has not expired, and the family members who have individual training and services plans have not completed all the activities set forth in their plans.

(b) Termination of the contract. The contract of participation is automatically terminated if the family’s Section 8 assistance is terminated in accordance with HUD requirements. The contract of participation may be terminated before the expiration of the contract term, and any extension thereof, by:

(1) Mutual consent of the parties;

(2) The failure of the FSS family to meet its obligations under the contract of participation without good cause, including in the Section 8 FSS program the failure to comply with the contract requirements because the family has moved outside the jurisdiction of the PHA;

(3) The family’s withdrawal from the FSS program;

(4) Such other act as is deemed inconsistent with the purpose of the FSS program; or

(5) Operation of law.

(i) Option to terminate Section 8 housing and supportive service assistance. The PHA may terminate or withhold Section 8 housing assistance, the supportive services, and the FSS family’s participation in the FSS program, if the PHA determines, in accordance with the hearing procedures provided in 24 CFR 982.555 that the FSS family has failed to comply with good cause with the requirements of the contract of participation as provided in paragraph (b)(5) of this section.

(j) Transitional supportive service assistance. A PHA may continue to offer to a former FSS family who has completed its contract of participation and whose head of family is employed, appropriate FSS supportive services in becoming self-sufficient (if the family still resides in public housing, or Section 8-assisted housing), or in remaining self-sufficient (if the family no longer resides in public, Section 8-assisted housing, or other assisted housing).

§ 984.304 Total tenant payment, family rent, and increases in family income.

(a)(1) Public housing FSS program: Calculation of total tenant payment. Total tenant payment for a family participating in the public housing FSS program is determined in accordance with the regulations set forth in 24 CFR part 913.

(b) Increases in FSS family income. Any increase in the earned income of an FSS family during its participation in an FSS program may not be considered as income or a resource for purposes of eligibility of the FSS family for other benefits, or amount of benefits payable to the FSS family, under any other program administered by HUD, unless the income of the FSS family equals or exceeds 80 percent of the median income of the area (as determined by HUD, with adjustments for smaller and larger families).

[61 FR 8815, Mar. 5, 1996, as amended at 64 FR 13057, Mar. 16, 1999]

§ 984.305 FSS account.

(a) Establishment of FSS account—(1) General. The PHA shall deposit the FSS
account funds of all families participating in the PHA’s FSS program into
a single depository account. The PHA must deposit the FSS account funds in
one or more of the HUD-approved investments.

(2) Accounting for FSS account funds—

(i) Accounting records. The total of the
combined FSS account funds will be
supported in the PHA accounting
records by a subsidiary ledger showing
the balance applicable to each FSS
family. During the term of the con-
tract of participation, the PHA shall
credit periodically, but not less than
annually, to each family’s FSS ac-
count, the amount of the FSS credit
determined in accordance with para-
graph (b) of this section.

(ii) Proration of investment income. The
investment income for funds in the
FSS account will be prorated and cred-
ted to each family’s FSS account
based on the balance in each family’s
FSS account at the end of the period
for which the investment income is
credited.

(iii) Reduction of amounts due by FSS
family. If the FSS family has not paid
the family contribution towards rent,
or other amounts, if any, due under the
public housing or section 8-assisted
lease, the balance in the family’s FSS
account shall be reduced by that
amount (as reported by the owner to
the PHA in the Section 8 FSS program)
before prorating the interest income. If
the FSS family has fraudulently under-
reported income, the amount credited
to the FSS account will be based on
the income amounts originally re-
ported by the FSS family.

(3) Reporting on FSS account. Each
PHA will be required to make a report,
at least once annually, to each FSS
family on the status of the family’s
FSS account. At a minimum, the re-
port will include:

(i) The balance at the beginning of
the reporting period;
(ii) The amount of the family’s rent
payment that was credited to the FSS
account, during the reporting period;
(iii) Any deductions made from the
account for amounts due the PHA be-
fore interest is distributed;
(iv) The amount of interest earned on
the account during the year; and
(v) The total in the account at the
end of the reporting period.

(b) FSS credit—(1) Computation of
amount. For purposes of determining
the FSS credit, “family rent” is: for
the public housing program, the total
tenant payment as defined in 24 CFR
subpart F of 24 CFR part 5; for the
rental certificate program, the total
tenant payment as defined in 24 CFR
subpart F of 24 CFR part 5; and for the
rental voucher program, 30 percent of
adjusted monthly income. The FSS
credit shall be computed as follows:

(i) For FSS families who are very
low-income families, the FSS credit
shall be the amount which is the lesser of:

(A) Thirty percent of current month-
ly adjusted income less the family
rent, which is obtained by disregarding
any increases in earned income (as de-
efined in §984.103) from the effective
date of the contract of participation; or

(B) The current family rent less the
family rent at the time of the effective
date of the contract of participation.

(ii) For FSS families who are low-in-
come families but not very low-income
families, the FSS credit shall be the
amount determined according to para-
graph (b)(1)(i) of this section, but which
shall not exceed the amount computed
for 50 percent of median income.

(2) Ineligibility for FSS credit. FSS
families who are not low-income fami-
lies shall not be entitled to any FSS
credit.

(3) Cessation of FSS credit. The PHA
shall not make any additional credits
to the FSS family’s FSS account when
the FSS family has completed the con-
tact of participation, as defined in
§984.303(g), or when the contract of par-
ticipation is terminated or otherwise
nullified.

(c) Disbursement of FSS account
funds—(1) General. The amount in an
FSS account, in excess of any amount
owed to the PHA by the FSS family, as
provided in paragraph (a)(3)(iii) of this
section, shall be paid to the head of the
FSS family when the contract of par-
ticipation has been completed as pro-
vided in §984.303(g), and if, at the time of
contract completion, the head of the
FSS family submits to the PHA a cer-
tification, as defined in §984.103, that,
to the best of his or her knowledge and
belief, no member of the FSS family is a recipient of welfare assistance.

(2) Disbursement before expiration of contract term. (i) If the PHA determines that the FSS family has fulfilled its obligations under the contract of participation before the expiration of the contract term, and the head of the FSS family submits a certification that, to the best of his or her knowledge, no member of the FSS family is a recipient of welfare assistance, the amount in the family’s FSS account, in excess of any amount owed to the PHA by the FSS family, as provided in paragraph (a)(3)(iii) of this section, shall be paid to the head of the FSS family.

(ii) If the PHA determines that the FSS family has fulfilled certain interim goals established in the contract of participation and needs a portion of the FSS account funds for purposes consistent with the contract of participation, such as completion of higher education (i.e., college, graduate school), or job training, or to meet start-up expenses involved in creation of a small business, the PHA may, at the PHA’s sole option, disburse a portion of the funds from the family’s FSS account to assist the family meet those expenses.

(3) Verification of family certification. Before disbursement of the FSS account funds to the family, the PHA may verify that the FSS family is no longer a recipient of welfare assistance by requesting copies of any documents which may indicate whether the family is receiving any welfare assistance, and contacting welfare agencies.

(d) Succession to FSS account. If the head of the FSS family ceases to reside with other family members in the public housing or the Section 8-assisted unit, the remaining members of the FSS family, after consultation with the PHA, shall have the right to designate another family member to receive the funds in accordance with paragraph (c) (1) or (2) of this section.

(e) Use of FSS account funds for homeownership. A public housing FSS family may use its FSS account funds for the purchase of a home, including the purchase of a home under one of HUD’s homeownership programs, or other Federal, State, or local homeownership programs unless such use is prohibited by the statute or regulations governing the particular homeownership program.

(f) Forfeiture of FSS account funds—(1) Conditions for forfeiture. Amounts in the FSS account shall be forfeited upon the occurrence of the following:

(i) The contract of participation is terminated, as provided in §984.303(e) or §984.303(h); or

(ii) The contract of participation is completed by the family, as provided in §984.303(g), but the FSS family is receiving welfare assistance at the time of expiration of the term of the contract of participation, including any extension thereof.

(2) Treatment of forfeited FSS account funds—(1) Public housing FSS program. FSS account funds forfeited by the FSS family will be credited to the PHA’s operating reserves and counted as other income in the calculation of the PFS operating subsidy eligibility for the next budget year.

(ii) Section 8 FSS program. FSS account funds forfeited by the FSS family will be treated as program receipts for payment of program expenses under the PHA budget for the applicable Section 8 program, and shall be used in accordance with HUD requirements governing the use of program receipts.

§984.306 Section 8 residency and portability requirements.

(a) Relocating FSS family. For purposes of this section, the term “relocating FSS family” refers to an FSS family that moves from the jurisdiction of a PHA at least 12 months after signing its contract of participation.

(b) Initial occupancy—(1) First 12 months. A family participating in the Section 8 FSS program must lease an assisted unit, for a minimum period of 12 months after the effective date of the contract of participation, in accordance with §§982.333 of this chapter.

(2) After the first 12 months. After the first 12 months of the FSS contract of
participation, the FSS family may move outside the initial PHA jurisdiction under portability procedures (in accordance with §982.353 of this chapter).

(c) Portability: relocation but continued participation in the FSS program of the initial PHA—(1) General. A relocating FSS family may continue in the FSS program of the initial PHA if the family demonstrates to the satisfaction of the initial PHA that, notwithstanding the move, the relocating FSS family will be able to fulfill its responsibilities under the initial or modified contract of participation at its new place of residence. (For example, the FSS family may be able to commute to the supportive services specified in the contract of participation, or the family may move to obtain employment as specified in the contract.)

(2) Single contract of participation. If the relocating family remains in the FSS program of the initial PHA, there will only be one contract of participation, which shall be the contract executed by the initial PHA.

(d) Portability: relocation and participation in the FSS program of the receiving PHA—(1) General. A relocating FSS family may participate in the FSS program of the receiving PHA, if the receiving PHA allows the family to participate in its program. a PHA is not obligated to enroll a relocating FSS family in its FSS program.

(2) Two contracts of participation. If the receiving PHA allows the relocating FSS family to participate in its FSS program, the receiving PHA will enter into a new contract of participation with the FSS family for the term on the remaining contract with the initial PHA. The initial PHA will terminate its contract of participation with the family.

(e) Single FSS account. Regardless of whether the relocating FSS family remains in the FSS program of the initial PHA or is enrolled in the FSS program of the receiving PHA, there will be a single FSS account which will be maintained by the initial PHA. When an FSS family will be absorbed by the receiving PHA, the initial PHA will transfer the family’s FSS account to the receiving PHA.

(f) FSS program termination; loss of FSS account; and termination of Section 8 assistance. (1) If an FSS family that relocates to another jurisdiction, as provided under this section, is unable to fulfill its obligations under the contract of participation, or any modifications thereto, the PHA, which is party to the contract of participation, may:

(i) Terminate the FSS family from the FSS program and the family’s FSS account will be forfeited; and

(ii) Terminate the FSS family’s Section 8 assistance on the ground that the family failed to meet its obligations under the contract of participation.

(2) In the event of forfeiture of the family’s FSS account, the funds in the family’s FSS account will revert to the PHA maintaining the FSS account for the family.

(a) A description of the activities carried out under the program;

(b) A description of the effectiveness of the program in assisting families to achieve economic independence and self-sufficiency;

(c) A description of the effectiveness of the program in coordinating resources of communities to assist families to achieve economic independence and self-sufficiency; and
