Owner (or Borrower) may include a provision in the lease permitting the Owner (or Borrower) to enter the leased premises at any time without advance notice when there is reasonable cause to believe that an emergency exists or that health or safety of a family member is endangered.

§ 891.430 Denial of admission, termination of tenancy, and modification of lease.

(a) The provisions of part 5, subpart I, of this title apply to Section 202 and Section 811 capital advance projects.

(b) The provisions of part 247 of this title apply to all decisions by an owner to terminate the tenancy or modify the lease of a household residing in a unit (or residential space in a group home).

[66 FR 28798, May 24, 2001]

§ 891.435 Security deposits.

This section shall apply to capital advances under the Section 202 Program and the Section 811 Program, as well as loans financed under subpart E of this part. For loans financed under subpart E of this part, the requirements in §891.635 also apply.

(a) Collection of security deposits. At the time of the initial execution of the lease, the Owner (or Borrower, as applicable) will require each household (or family, as applicable) occupying an assisted unit or residential space in a group home to pay a security deposit in an amount equal to one month’s tenant payment or $50, whichever is greater. The household (or family) is expected to pay the security deposit from its own resources and other available public or private resources. The Owner (or Borrower) may collect the security deposit on an installment basis.

(b) Security deposit provisions applicable to units—(1) Administration of security deposit. The Owner (or Borrower, as applicable) must place the security deposits in a segregated interest-bearing account. The amount of the segregated, interest-bearing account maintained by the Owner (or Borrower) must at all times equal the total amount collected from the households (or families, as applicable) then in occupancy plus any accrued interest and less allowable administrative cost adjustments. The Owner (or Borrower) must comply with any applicable State and local laws concerning interest payments on security deposits.

(2) Household (or family, as applicable) notification requirement. In order to be considered for the refund of the security deposit, a household (or family) must provide the Owner (or Borrower, as applicable) with a forwarding address or arrange to pick up the refund.

(3) Use of security deposit. The Owner (or Borrower, as applicable), subject to State and local law and the requirements of paragraphs (b)(1) and (b)(3) of this section, may use the household’s (or family’s, as applicable) security deposit balance as reimbursement for any unpaid amounts that the household (or family) owes under the lease. Within 30 days (or shorter time if required by State or local law) after receiving notification under paragraph (b)(2) of this section, the Owner (or Borrower) must:

(i) Refund to a household (or family) that does not owe any amount under the lease the full amount of the household’s (or family’s) security deposit balance;

(ii) Provide to a household (or family) owing amounts under the lease a list itemizing each amount, along with a statement of the household’s (or family’s) rights under State and local law. If the amount that the Owner (or Borrower) claims is owed by the household (or family) is less than the amount of the household’s (or family’s) security deposit balance, the Owner (or Borrower) must refund the excess balance to the household (or family). If the Owner (or Borrower) fails to provide the list, the household (or family) will be entitled to the refund of the full amount of the household’s (or family’s) security deposit balance.

(4) Disagreements. If a disagreement arises concerning reimbursement of the security deposit, the household (or family, if applicable) will have the right to present objections to the Owner (or Borrower, if applicable) in an informal meeting. The Owner (or Borrower) must keep a record of any disagreements and meetings in a tenant file for inspection by HUD. The procedures of this paragraph do not preclude the household (or family) from exercising its rights under State or local law.
§ 891.440 Adjustment of utility allowances.

This section shall apply to projects funded under the Section 202 Program, to independent living complexes funded under Section 811 Program, and to projects financed with loans under subpart E of this part. The Owner (or Borrower, as applicable) must submit an analysis of any utility allowances applicable. Such data as changes in utility rates and other facts affecting utility consumption should be provided as part of this analysis to permit appropriate adjustments in the utility allowances for assisted units. In addition, when utility rate changes would result in a cumulative increase of 10 percent or more in the most recently approved utility allowances, the Owner (or Borrower) must advise HUD and request approval of new utility allowances. Whenever a utility allowance for an assisted unit is adjusted, the Owner (or Borrower) will promptly notify affected households (or families, as applicable) and make a corresponding adjustment of the tenant payment (or rent, as applicable) and the amount of the project rental assistance payment (or housing or project assistance payment, as applicable).
