May BIA investigate compliance with a WSR lease?

(a) We may enter the leased premises at any reasonable time, upon reasonable notice, and consistent with any notice requirements under applicable tribal law and applicable lease documents, to protect the interests of the Indian landowners and to determine if the lessee is in compliance with the requirements of the lease.

(b) If an Indian landowner notifies us that a specific lease violation has occurred, we will promptly initiate an appropriate investigation.

May a WSR lease provide for negotiated remedies if there is a violation?

(a) A WSR lease of tribal land may provide either or both parties with negotiated remedies in the event of a lease violation, including, but not limited to, the power to terminate the lease. If the lease provides one or both parties with the power to terminate the lease:

(1) BIA approval of the termination is not required;

(2) The termination is effective without BIA cancellation; and

(3) The Indian landowners must notify us of the termination so that we may record it in the LTRO.

(b) A WSR lease of individually owned Indian land may provide either or both parties with negotiated remedies, so long as the lease also specifies the manner in which those remedies may be exercised by or on behalf of the Indian landowners of the applicable percentage of interests under §162.012 of this part. If the lease provides one or both parties with the power to terminate the lease:

(1) BIA concurrence with the termination is required to ensure that the Indian landowners of the applicable percentage of interests have consented; and

(2) BIA will record the termination in the LTRO.

(c) The parties must notify any surety or mortgagee of any violation that may result in termination and the termination of a WSR lease.

(d) Negotiated remedies may apply in addition to, or instead of, the cancellation remedy available to us, as specified in the lease. The landowners may request our assistance in enforcing negotiated remedies.

(e) A WSR lease may provide that lease violations will be addressed by the tribe, and that lease disputes will be resolved by a tribal court, any other court of competent jurisdiction, or by a tribal governing body in the absence of a tribal court, or through an alternative dispute resolution method. We may not be bound by decisions made in such forums, but we will defer to ongoing actions and proceedings, as appropriate, in deciding whether to exercise any of the remedies available to us.
