§ 241.4 Subsistence and sport fishing, Annette Islands Reserve.

(a) Definitions. (1) Subsistence fishing is the taking or attempting to take any species of fish or shellfish for purposes other than sale or barter, except feet, the trap as measured from shore at mean high tide to the outer face of the pot shall not extend beyond 900 feet.

(2) Construction. Poles shall be permanently secured to the webbing at each side of the mouth of the pot tunnel and shall extend from the tunnel floor to a height at least four feet above the water. A draw line shall be reeved through the lower end of both poles and the upper end of one.

(3) Method of closing. The tunnel walls shall be overlapped as far as possible across the pot gap and the draw line shall be pulled tight and both secured so as to completely close the tunnel. In addition, 25 feet of the webbing of the heart on each side next to the pot shall be lifted or lowered in such manner as to permit the free passage of fish.

(e) Other forms of commercial fishing. All commercial fishing, other than with traps, shall be in accordance with the season and gear restrictions established by rule or regulation by the Alaska Board of Fish and Game for Commercial Fishing in any part of the previously defined area; provided, however, that the Secretary or his duly authorized representative may, upon request by the Metlakatla Indian Community authorize such other commercial fishing at such times as he shall prescribe, which authorization shall be based upon the following criteria:

(1) Number of fish required for spawning escapement and any other requirements reasonable and necessary for conservation;

(2) Fair and equitable sharing of the fishery resource with other user groups fishing in State waters under State law and within the State fisheries management system; and

(3) The Federal purpose in the establishment and maintenance of the Metlakatla Indian Reservation.

§ 241.5 Commercial fishing, Karluk Indian Reservation.

(a) Definition. The Karluk Indian Reservation includes all waters extending 3,000 feet from the shore at mean low tide on Kodiak Island beginning at the end of a point of land on the shore of Shelikof Strait about 1¼ miles east of Rocky Point and in approximate latitude 57 degrees 39 minutes 40 seconds N., longitude 154 degrees 12 minutes 20 seconds W.; thence south approximately 8 miles to latitude 57 degrees 32 minutes 30 seconds N.; thence west approximately 12½ miles to the confluence of the north shore of Sturgeon River with the east shore of Shelikof Strait; thence northeasterly following the easterly shore of Shelikof Strait to the place of beginning, containing approximately 35,200 acres.

(b) Who may fish; licenses. The waters of the Karluk Indian Reservation shall be open to commercial fishing by bona fide native inhabitants of the native village of Karluk and vicinity, and to other persons insofar as the fishing activities of the latter do not restrict or interfere with fishing by such natives. Such natives shall not be required to obtain a license to engage in commercial fishing in the waters of the Karluk Indian Reservation.

(c) Salmon fishing; restrictions. Commercial fishing for salmon by native inhabitants of the native village of Karluk and vicinity in the waters of the Karluk Indian Reservation shall be in accordance with the seasonal and gear restrictions of the rules and regulations of the Alaska Board of Fish and Game for Commercial Fishing in the fishing district embracing the Karluk Indian Reservation except that:

(1) Beach seines up to 250 fathoms in length may be used northeast of Cape Karluk; and

(2) Prior to July 1, fishing shall be permitted to within 100 yards of the Karluk River where it breaks through the Karluk Spit into Shelikof Strait.

§ 241.6 Enforcement; violation of regulations; corrective action; penalties; closure of restrictions, Annette Islands Reserve.

(a) Enforcement. The regulations in this part shall be enforced by any duly authorized representative of the Secretary of the Interior. Any fish trap, vessel, gear, processing establishment or other operation or equipment subject to the regulations of this part shall be available for inspection at all times by such representative.

(b) Violation of regulations. Whenever any duly authorized enforcement representative of the Secretary of the Interior has reasonable cause to believe any violation of the regulations of this part relating to fish traps has occurred, he shall direct immediate closure of the trap involved and shall affix an appropriate seal thereto to prevent further fishing. The matter shall be reported without delay to the Area Director, Bureau of Indian Affairs, who shall thereupon report and recommend to the Secretary of the Interior appropriate corrective action.

(c) Corrective action. Any violation of the regulations of this part relating to fish traps shall be ground for the temporary or permanent closure, as the Secretary of the Interior may determine, of any or all traps authorized by §241.3(a), or the withdrawal and rescission of the right to fish for salmon with traps at any or all sites authorized thereby.
