§ 1001.5 Application review and selection process for negotiations for funding agreements.

Upon acceptance into the applicant pool, the OSG will assign to each tribe or consortium a ranking relative to other applicants based upon the date the OSG receives the complete application package. This ranking will constitute a master list that will be maintained and updated on a continuous basis from year to year. When receipt dates are the same for two or more applications, several other factors will be considered in determining the placement of the tribe or consortium on the list. These factors are identified in priority order as follows:

(a) Designation by the Congress through report language that a tribe should be considered for participation. These designations will be considered based upon the actual language of the report.

(b) Documentation of OSG sanctioning of the tribe’s self-governance planning and subsequent evidence of actual planning by the tribe.

(c) Submission of a completed planning or negotiation grant application in the previous year.

(d) A signed agreement pursuant to the Indian Health Service (IHS) self-governance project.

(e) Receipt of a planning grant awarded by the IHS.

§ 1001.6 Submitting applications.

(a) Applications for inclusion in the applicant pool will be accepted on an on-going basis.

(b) Applications may be mailed or hand-delivered.

(c) Applications for negotiations in 1996 that are mailed must be postmarked no later than May 16, 1995.

(d) Applications must be sent to: Director, Office of Self Governance, Department of the Interior, 1849 C Street, NW., MIB RM/MS-2548, Washington, DC 20240.

§ 1001.7 Availability, amount, and number of planning and negotiation grants.

(a) What is the purpose of this section? This section describes how to apply for planning and negotiation grants authorized by section 402(d) of the Act to help meet tribal costs incurred:

(1) In meeting the planning phase requirement of Pub. L. 103–413, including planning to negotiate non-BIA programs, services, functions and activities; and

(2) In conducting negotiations.

(b) What types of grants are available? Three categories of grants may be available:

(1) Negotiation grants for tribes/consortia selected from the applicant pool as described in §1001.5 of these regulations;

(2) Planning grants for tribes/consortia requiring advance funding to meet the planning phase requirement of Pub. L. 103–413; and

(3) Financial assistance for tribes/consortia to plan for negotiating for non-BIA programs, services, functions and activities, as described in §1001.10.

(c) Will grants always be made available to meet the planning phase requirement as described in section 402(d) of Pub. L. 103–413? No. Grants to cover some or all of the planning costs that a tribe/consortium may incur may be made available depending upon the availability of funds appropriated by Congress. We will publish notice of availability of grants in the FEDERAL REGISTER as described in this section.

(d) May a tribe use its own resources to meet its planning and negotiation expenses in preparation for entering into self-governance? Yes. A tribe/consortium may use its own resources to meet these costs. Receiving a grant is not necessary to meet the planning phase requirement of the Act or to negotiate a compact and annual funding agreement.

(e) What happens if there are insufficient funds to meet the anticipated tribal requests for planning and negotiation grants in any given year? If appropriated funds are available but insufficient to meet the total requests from tribes/consortia, we will give first
§ 1001.9 Selection criteria for tribes/consortia to receive a negotiation grant.

(i) Be selected from the applicant pool to negotiate an annual funding agreement;

(ii) Be identified as eligible to receive a negotiation grant and

(iii) Not have received a negotiation grant within the 3 years preceding the date of the latest Federal Register announcement.

(b) What must a tribe/consortium do to receive a negotiation grant?

(ii) Be identified as eligible to receive a negotiation grant; and

(iii) Not have received a negotiation grant within the 3 years preceding the date of the latest Federal Register announcement described in §1001.7.

(c) May a selected tribe negotiate without applying for a negotiation grant? Yes. In this case, the tribe should notify us in writing so that funds can be reallocated for other grants.
