§ 1.852–9 Special procedural requirements applicable to designation under section 852(b)(3)(D).

(a) Regulated investment company—(1) Notice to shareholders. (i) A designation of undistributed capital gains under section 852(b)(3)(D) and paragraph (b)(2)(i) of § 1.852–2 shall be made by notice on Form 2439 mailed by the regulated investment company to each person who is a shareholder of record of the company at the close of the company’s taxable year. The notice on Form 2439 shall show the name, address, and employer identification number of the regulated investment company; the taxable year of the company for which the designation is made; the name, address, and identifying number of the shareholder; the amount designated by the company for inclusion by the shareholder in computing his long-term capital gains; and the tax paid with respect thereto by the company which is deemed to have been paid by the shareholder.

(ii) In the case of a designation of undistributed capital gains with respect to a taxable year of the regulated investment company ending after December 31, 1969, and beginning before January 1, 1975, Form 2439 shall also show the shareholder’s proportionate share of such gains which is gain described in section 1201(d)(1), his proportionate share of such gains which is gain described in section 1201(d)(2), and the amount (determined pursuant to subdivision (iv) of this subparagraph) by which the shareholder’s adjusted basis in his shares shall be increased.

(iii) In determining under subdivision (ii) of this subparagraph the portion of the undistributed capital gains which, in the hands of the shareholder, is gain described in section 1201(d)(1) or (2), the company shall consider that capital gain dividends for a taxable year are made first from its long-term capital gains for such year which are not described in section 1201(d)(1) or (2), to the extent thereof, and then from its long-term capital gains for such year which are described in section 1201(d)(1) or (2). A shareholder’s proportionate share of undistributed capital gains for a taxable year which is gain described in section 1201(d)(1) is the amount which bears the same ratio to the amount included in his income as designated undistributed capital gains for such year as (a) the aggregate amount of the company’s gains for such year which are described in section 1201(d)(1) and designated as undistributed capital gains bears to (b) the aggregate amount of the company’s gains for such year which are designated as undistributed capital gains. A shareholder’s proportionate share of gains which are described in section 1201(d)(2) shall be determined in a similar manner. Every regulated investment company shall keep a record of the proportion of undistributed capital gains (to which this subdivision applies) which is gain described in section 1201(d) (1) or (2).

(iv) In the case of a designation of undistributed capital gains for any taxable year ending after December 31, 1969, and beginning before January 1, 1975, Form 2439 shall also show with respect to the undistributed capital gains of each shareholder the amount by which each shareholders’ adjusted basis in his shares shall be increased under section 852(b)(3)(D)(iii). The amount by which each shareholders’ adjusted basis in his shares shall be increased is the amount includible in his gross income with respect to such shares under section 852(b)(3)(D)(i) less the tax which the shareholder is deemed to have paid with respect to such shares. The tax which each shareholder is deemed to have paid with respect to such shares is the amount which bears the same ratio to the amount of the tax imposed by section 852(b)(3)(A) for such year with respect to the aggregate amount of the designated undistributed capital gains as the amount of such gains includible in the shareholder’s gross income bears to the aggregate amount of such gains so designated.

(v) Form 2439 shall be prepared in triplicate, and copies B and C of the form shall be mailed to the shareholder on or before the 45th day (30th day for a taxable year ending before February 26, 1964) following the close of the company’s taxable year. Copy A of each Form 2439 must be associated with the duplicate copy of the undistributed capital gains tax return of the company (Form 2438), as provided in subparagraph (2)(i) of this paragraph.
(2) Return of undistributed capital gains tax—(i) Form 2438. Every regulated investment company which designates undistributed capital gains for any taxable year beginning after December 31, 1956, in accordance with subparagraph (1) of this paragraph, shall file for such taxable year an undistributed capital gains tax return on Form 2438 including on such return the total of its undistributed capital gains so designated and the tax with respect thereto. The return on Form 2438 shall be prepared in duplicate and shall set forth fully and clearly the information required to be included therein. The original of Form 2438 shall be filed on or before the 30th day after the close of the company’s taxable year with the internal revenue officer designated in instructions applicable to Form 2438. The duplicate copy of form 2438 for the taxable year shall be attached to and filed with the income tax return of the company on Form 1120 for such taxable year.

(ii) Copies A of Form 2439. For each taxable year which ends on or before December 31, 1965, there shall be submitted with the company’s return on Form 2438 all copies A of Form 2439 furnished by the company to its shareholders in accordance with subparagraph (1) of this paragraph. For each taxable year which ends after December 31, 1965, there shall be submitted with the duplicate copy of the company’s return on Form 2438, which is attached to and filed with the income tax return of the company on Form 1120 for the taxable year, all copies A of Form 2439, which is attached to and filed with the income tax return of the company on Form 1120 for the year ending after February 25, 1964, or before the 75th day (55th day in the case of a nominee who is acting as a custodian of a unit investment trust described in section 851(f)(1) and paragraph (d) of § 1.851-7 for taxable years of regulated investment companies ending after December 8, 1970, and 135th day if the nominee is a resident of a foreign country) following the close of the regulated investment company’s taxable year, or

(i) For taxable years of regulated investment companies ending after February 25, 1964, on or before the 75th day (55th day in the case of a nominee who is acting as a custodian of a unit investment trust described in section 851(f)(1) and paragraph (d) of § 1.851-7 for taxable years of regulated investment companies ending after December 8, 1970, and 135th day if the nominee is a resident of a foreign country) following the close of the regulated investment company’s taxable year, or

(ii) For taxable years of regulated investment companies ending before February 26, 1964, on or before the 60th day (120th day if the nominee is a resident of a foreign country) following the close of the regulated investment company’s taxable year.
(2) Transmittal of Form 2439. The nominee shall enter the word “Nominee” in the upper right hand corner of copy B of the notice on Form 2439 received by him from the regulated investment company, and on or before the appropriate day specified in subdivision (i) or (ii) of subparagraph (1) of this paragraph shall transmit such copy B, together with all copies A of Form 2439 prepared by him pursuant to subparagraph (1) of this paragraph, to the internal revenue officer with whom his income tax return is required to be filed.

(3) Custodian of certain unit investment trusts. The requirements of this paragraph shall not apply to a nominee who is acting as a custodian of the unit investment trust described in section 851(f)(1) and paragraph (d) of §1.851–7 provided that the regulated investment company agrees with the nominee to satisfy the notice requirements of paragraph (a) of this section with respect to each holder of an interest in the unit investment trust whose shares are being held by such nominee as custodian and on or before the 45th day following the close of the company's taxable year, files with the Internal Revenue Service office where the company’s income tax return is to be filed for the taxable year, a statement that the holders of the unit investment trust with whom the agreement was made have been directly notified by the regulated investment company. Such statement shall include the name, sponsor, and custodian of each unit investment trust whose holders have been directly notified. The nominee's requirements under this paragraph shall be deemed met if the regulated investment company transmits a copy of such statement to the nominee within such 45-day period; provided however, if the regulated investment company fails or is unable to satisfy the requirements of this paragraph with respect to the holders of interest in the unit investment trust, it shall so notify the Internal Revenue Service within 45 days following the close of its taxable year. The custodian shall, upon notice by the Internal Revenue Service that the regulated investment company has failed to comply with the agreement, satisfy the requirements of this paragraph within 30 days of such notice.

(c) Shareholders—(1) Return and Recordkeeping Requirements—(i) Return requirements for taxable years beginning before January 1, 2002. For taxable years beginning before January 1, 2002, the copy B of Form 2439 furnished to a shareholder by the regulated investment company or by a nominee, as provided in §1.852–9(a) or (b) shall be attached to the income tax return of the shareholder for the taxable year in which the amount of undistributed capital gains is includible in gross income as provided in §1.852–4(b)(2).

(ii) Recordkeeping requirements for taxable years beginning after December 31, 2001. For taxable years beginning after December 31, 2001, the shareholder shall retain a copy of Form 2439 for as long as its contents may become material in the administration of any internal revenue law.

(2) Credit or refund—(i) In general. The amount of the tax paid by the regulated investment company with respect to the undistributed capital gains required under section 852(b)(3)(D) and paragraph (b)(2) of §1.852–4 to be included by a shareholder in his computation of long-term capital gains for any taxable year is deemed paid by such shareholder under section 852(b)(3)(D)(ii) and such payment constitutes, for purposes of section 6513(a) (relating to time tax considered paid), an advance payment in like amount of the tax imposed under chapter 1 of the Code for such taxable year. In the case of an overpayment of tax within the meaning of section 6401, see section 6402 and the regulations in part 301 of this chapter (Regulations on Procedure and Administration) for rules applicable to the treatment of an overpayment of tax.

(ii) Form to be used. Claim for refund or credit of the tax deemed to have been paid by a shareholder with respect to an amount of undistributed capital
gains shall be made on the shareholder’s income tax return for the taxable year in which such amount of undistributed capital gains is includable in gross income. In the case of a shareholder which is a partnership, claim shall be made by the partners on their income tax returns for refund or credit of their distributive shares of the tax deemed to have been paid by the partnership. In the case of a shareholder which is exempt from tax under section 501(a) and to which section 511 does not apply for the taxable year, claim for refund of the tax deemed to have been paid by such shareholder on an amount of undistributed capital gains for such year shall be made on Form 843 and copy B of Form 2439 furnished to such shareholder shall be attached to its claim. For other rules applicable to the filing of claims for credit or refund of an overpayment of tax, see § 301.6402–2 of this chapter (Regulations on Procedure and Administration), relating to claims for credit or refund, and § 301.6402–3 of this chapter, relating to special rules applicable to income tax.

Records. The shareholder is required to keep copy C of the Form 2439 furnished for the regulated investment company’s taxable years ending after December 31, 1969, and beginning before January 1, 1975, as part of his records to show increases in the adjusted basis of his shares in such company.

Penalties. For criminal penalties for willful failure to file a return, supply information, or pay tax, and for filing a false or fraudulent return, statement, or other document, see sections 7203, 7206, and 7207.

§ 1.852–10  Distributions in redemption of interests in unit investment trusts.

(a) In general. In computing that part of the excess of its net long-term capital gain over net short-term capital loss on which it must pay a capital gains tax, a regulated investment company is allowed under section 852(b)(3)(A)(i) a deduction for dividends paid (as defined in section 561) determined with reference to capital gains dividends only. Section 561(b) provides that in determining the deduction for dividends paid, the rules provided in section 562 are applicable. Section 562(c) (relating to preferential dividends) provides that the amount of any distribution shall not be considered as a dividend unless such distribution is pro-rata, with no preference to any share of stock as compared with other shares of the same class except to the extent that the former is entitled to such preference.

(b) Redemption distributions made by unit investment trust—(1) In general. Where a unit investment trust (as defined in paragraph (c) of this section) liquidates part of its portfolio represented by shares in a management company in order to make a distribution to a holder of an interest in the trust in redemption of part or all of such interest, and by so doing, the trust realizes net long-term capital gain, that portion of the distribution by the trust which is equal to the amount of the net long-term capital gain realized by the trust on the liquidation of the shares in the management company will not be considered a preferential dividend under section 562(c). For example, where the entire amount of net long-term capital gain realized by the trust on such a liquidation is distributed to the redeeming interest holder, the trust will be allowed the entire amount of net long-term capital gain so realized in determining the deduction under section 852(b)(3)(A)(i) for dividends paid determined with reference to capital gains dividends only. This paragraph and section 852(d) shall apply only with respect to the capital gain net income (net capital gain for taxable years beginning before January 1, 1977) realized by the trust which is attributable to a redemption by a holder of an interest in such trust. Such dividend may be designated as a capital gain dividend by a written notice to the certificate holder. Such designation should clearly indicate to the holder that the holder’s gain or loss on the redemption of the certificate may differ from such designated amount, depending upon the
