§ 4.93 Approval of grape variety names.

(a) Any interested person may petition the Administrator for the approval of a grape variety name. The petition may be in the form of a letter and should provide evidence of the following—

(1) Acceptance of the new grape variety,
(2) The validity of the name for identifying the grape variety,
(3) That the variety is used or will be used in winemaking, and
(4) That the variety is grown and used in the United States.

(b) For the approval of names of new grape varieties, documentation submitted with the petition to establish the items in paragraph (a) of this section may include—

(1) Reference to the publication of the name of the variety in a scientific or professional journal of horticulture or a published report by a professional, scientific or winegrowers' organization,
(2) Reference to a plant patent, if so patented, and
(3) Information pertaining to the commercial potential of the variety, such as the acreage planted and its location or market studies.

(c) The Administrator will not approve a grape variety name if:

(1) The name has previously been used for a different grape variety;
(2) The name is a common synonym for a commonly known variety;
(3) The name has been used for a variety of the same type as a listed variety.
