for a specific expense, beyond the maximum amount reimbursed for that expense under this subpart, the claimant’s award under this subpart shall not be reduced by the amount paid by the collateral source, nor shall the claimant be required to subrogate the United States to the claim for payment from the collateral source, except that in no event shall the combined reimbursement under this subpart and any collateral source exceed the actual expense.

Program Administration

§ 94.31 Application procedures.

(a) To receive reimbursement, a claimant must submit a completed application under this program requesting payment based on an itemized list of expenses, and must submit original receipts.

(b) Notwithstanding paragraph (a) of this Section, in cases involving incidents of terrorism preceding the establishment of this program where claimants may not have original receipts, and in cases in which the claimant certifies that the receipts have been destroyed or lost, the Director may, in his discretion, accept an itemized list of expenses. In each such case, the claimant must certify that original receipts are unavailable and attest that the items and amounts submitted in the list are true and correct to the best of his knowledge. In the event that it is later determined that a fraudulent certification was made, the United States may take action to recover any payment made under this section, and pursue criminal prosecution, as appropriate.

§ 94.32 Application deadline.

For claims related to acts of international terrorism that occurred after October 6, 2006, the deadline to file an application is three years from the date of the act of international terrorism. For claims related to acts of international terrorism that occurred between December 21, 1988, and October 6, 2006, the deadline to file an application is October 6, 2009. At the discretion of the Director, the deadline for filing a claim may be tolled or extended upon a showing of good cause.
