

(5) ORS 509.600, prohibiting the injury or destruction of fish within 600 feet of any fishway. Prior approval of the Director, the Department of Fish and Wildlife, is required before constructing a dam or obstruction in State waters.

(6) ORS 509.615, requiring that artificial watercourses must be screened.

(f) The following are Oregon laws that interfere with the achievement of the purposes and requirements of the Act and are, in accordance with section 504(g) of the Act, pre-empted and superseded with respect to coal mining, except to the extent they provide for regulation of surface coal mining and reclamation operations which are exempt from the Surface Mining Control and Reclamation Act of 1977:

(1) Oregon Surface Mining and Mine Land Reclamation Act, as amended, ORS 517.750–ORS 517.990.

(2) Oregon Administrative Rules (OAR), Department of Geology and Mineral Industries, Division 30, Rules and Regulations, Oregon Mined Land Reclamation Act, OAR 632–30–005 through OAR 632–30–060.

(3) ORS 273.551 and ORS 273.775 to ORS 273.790. The contractual and leasing responsibility of the Division of Lands over State lands and minerals is not affected by this Federal program.

(4) ORS 275.340. Pre-empted to the extent that the State of Oregon construes this statute as delegating to cities and counties the authority to issue surface coal mining permits and related exploration permits.

§ 937.773 Requirements for permits and permit processing.

(a) Part 773 of this chapter, *Requirements for Permits and Permit Processing*, shall apply to any person who applies for a permit for surface coal mining and reclamation operations.

(b) In addition to the requirements of part 773, the following permit application review procedures shall apply:

(1) Any person applying for a permit shall submit five copies of the application to the Office.

(2) The Office shall review an application for administrative completeness and acceptability for further review and shall notify the applicant in writing of the findings. The Office may:

(i) Reject a flagrantly deficient application, notifying the application of the findings;

(ii) Request additional information required for completeness stating specifically what information must be supplied and negotiate the date by which the information must be submitted; or

(iii) Judge the application administratively complete and acceptable for further review.

(3) Should the applicant not submit the information as required by § 937.773(b)(2)(ii) by the specified date, the office may reject the application. When the applicant submits the required information by the specified date, the Office shall review it and advise the applicant concerning its acceptability.

(4) When the application is judged administratively complete, the applicant shall be advised by the Office to file the public notice required by § 773.6 of this chapter.

(5) A representative of the Office shall visit the proposed permit area to determine whether the operation and reclamation plans are consistent with actual site conditions. The applicant will be notified in advance of the time of the visit. At the time of the visit, the applicant shall have the locations of the proposed permit boundaries, topsoil storage areas, sediment control structures, roads, and other significant features contained in the application marked by flags.

(c) In addition to the information required by subchapter G of this chapter, the Office may require an applicant to submit supplementary information to ensure compliance with applicable Federal laws and regulations other than the Act.

(d) Where applicable, no person shall conduct surface coal exploration operations which result in the removal of more than 250 tons in one location, or surface coal mining operations without permits issued and/or certificates required by the State of Oregon, including compliance with Oregon's State-wide Planning Goals (ORS 197.180) and any relevant Country Comprehensive Land Use Plans (ORS 197.005-ORS 197.775); license from the Division of State Lands where mines or exploration are on State lands (ORS 273.005-273.815); Solid Waste Disposal Permits, Hazardous Waste Transportation and
