§ 901.1 Aggressive agency collection activity.

(a) Federal agencies shall aggressively collect all debts arising out of activities of, or referred or transferred for collection services to, that agency. Collection activities shall be undertaken promptly with follow-up action taken as necessary. Nothing contained in parts 900–904 of this chapter requires the Department of Justice, Treasury, or other Treasury-designated debt collection centers, to duplicate collection activities previously undertaken by other agencies or to perform collection activities that other agencies should have undertaken.

(b) Debts referred or transferred to Treasury, or Treasury-designated debt collection centers under the authority of 31 U.S.C. 3711(g), shall be serviced, collected, or compromised, or the collection action will be suspended or terminated, in accordance with the statutory requirements and authorities applicable to the collection of such debts.

(c) Agencies shall cooperate with one another in their debt collection activities.

(d) Agencies should consider referring debts that are less than 180 days delinquent to Treasury or to Treasury-designated “debt collection centers” to accomplish efficient, cost effective debt collection. Treasury is a debt collection center, is authorized to designate other Federal agencies as debt collection centers based on their performance in collecting delinquent debts, and may withdraw such designations. Referrals to debt collection centers shall be at the discretion of, and for a time period acceptable to, the Secretary. Referrals may be for servicing, collection, compromise, suspension, or termination of collection action.

(e) Agencies shall transfer to the Secretary any debt that has been delinquent for a period of 180 days or more so that the Secretary may take appropriate action to collect the debt or terminate collection action. See 31 CFR 285.12 (Transfer of Debts to Treasury for Collection). This requirement does not apply to any debt that:

1. Is in litigation or foreclosure;
2. Will be disposed of under an approved asset sale program;
3. Has been referred to a private collection contractor for a period of time acceptable to the Secretary;
4. Is at a debt collection center for a period of time acceptable to the Secretary (see paragraph (d) of this section);
5. Will be collected under internal offset procedures within three years after the debt first became delinquent; or
