Department of the Navy, DoD

§ 732.17

(a) Individual prior approval. (1) Submit requests for prior approval of non-emergency care (medical, dental, or maternity) from non-Federal sources to the adjudication authority (§732.20) serving the geographic area where care is to be obtained. When the requirements of §732.14(d)(2) are met and spectacles have been obtained, request after-the-fact approval per this paragraph.

(2) Submit requests on a NAVMED 6320/10. Statement of Civilian Medical/Dental Care, with blocks 1 through 7 and 19 through 25 completed. Assistance in completing the NAVMED 6320/10 can be obtained from the health benefits advisor (HBA) at the nearest USMTF.

(3) Upon receipt, the adjudication authority will review the request and, if necessary, forward it to the appropriate chief of service with an explanation of non-Federal care regulations pertaining to the request. The chief of service will respond to the request within 24 hours. The adjudication authority will then complete blocks 26 and 27, and return the original of the approved/disapproved NAVMED 6320/10 to the member.

(b) Blanket prior approval. (1) Recruiting offices and other activities far removed from USMTFs, uniformed services dental treatment facilities (USDTFs), designated USTFs, and VA facilities may request blanket approval for civilian medical and dental care of assigned active duty personnel. Letter requests should be submitted to the adjudication authority (§732.20) assigned responsibility for the geographic area of the requestor.

(2) With full realization that such blanket approval is an authorization to obligate the Government without individual prior approval, adjudication authorities will ensure that:

(i) Each blanket approval letter specifies a maximum dollar amount allowable in each instance of care.

(ii) The location of the activity receiving blanket approval authority is clearly delineated.

(iii) Travel distance and time required to reach the nearest USMTF, USDTF, designated USTF, or VA facility have been considered.
