§ 110.10  Beverly and Mackerel Coves, north side of Beverly Harbor. The water area enclosed by a line commencing at the southernmost point of Curtis Point in Beverly; thence bearing 238°, 1,400 yards to latitude 42°32′29.7″ N., 70°51′32.1″ W.; thence 264°, 1,475 yards to the western shoreline of Mackerel Cove; thence north northeastly to the point of beginning.

(e) Collins Cove, Salem, MA. The water area enclosed by a line commencing at Monument Bar Beacon; thence 242°, 580 yards to latitude 42°32′14.5″ N., longitude 70°52′13.6″ W.; thence 284°, 220 yards to latitude 42°32′16″ N., longitude 70°52′55″ W.; thence 231°, 525 yards to a point on the shoreline; thence following the shoreline and the western boundary of the special anchorage area as described in 33 CFR 110.25(a) to the point of beginning.

(f) Marblehead Harbor, Marblehead, MA. The area comprises that portion of the harbor lying between the extreme low water line and southwestward of a line bearing 336° from Marblehead Neck Light to a point on Peach Point at latitude 42°31′03″ N., longitude 70°50′30″ W.

Note: The area is principally for use by yachts and other recreational craft. Temporary floats or buoys for marking anchors are allowed. Fixed mooring piles or stakes are prohibited. All moorings must be so that no vessel, when anchored, will at any time extend beyond the limits of the area. The anchoring of vessels and the placing of temporary moorings are under the jurisdiction of the local harbormaster.
