§ 165.801 Annual fireworks displays and other events in the Eighth Coast Guard District requiring safety zones.

The Coast Guard is establishing safety zones for the annual fireworks displays and other events requiring safety zones listed in the table to § 165.801.

(a) In accordance with the general regulations in § 165 of this part, entry into this zone is prohibited unless authorized by the Captain of the Port or a designated representative.

(b) Persons or vessels desiring to enter into or passage through the zone must request permission from the Captain of the Port or a designated representative.

(c) If permission is granted, all persons and vessels shall comply with the instructions of the Captain of the Port or designated representative. Designated representatives include commissioned, warrant, and petty officers of the U.S. Coast Guard.

(d) Informational broadcasts: The Captain of the Port or a designated representative will inform the public...
through broadcast notices to mariners of the enforcement period for the safety zone as well as any changes in the planned schedule.

### § 165.803 Mississippi River—regulated navigation area.

The following is a Regulated Navigation Area—The waters of the Mississippi River between miles 88 and 240 above Head of Passes.

(a) **Definitions.** As used in this section:

1. **Breakaway** means a barge that is adrift and is not under the control of a towing vessel.
2. **COTP** means the Captain of the Port, New Orleans.
3. **Fleet** includes one or more tiers.
4. **Fleeting facility** means the geographic area along or near a river bank delegated the authority to permit entry into this safety zone.

(b) Any vessel desiring to enter this safety zone must first obtain permission from the Captain of the Port, New Orleans. The resident engineer at Old River Control Structure (WUG–424) is
