§ 299.7 What are the factors for determining equitable participation of children and teachers in private schools?

(a) Equal expenditures. (1) Expenditures of funds made by an agency or consortium of agencies under a program listed in §299.6(b) for services for eligible private school children and their teachers and other educational personnel must be equal on a per-pupil basis to the amount of funds expended for participating public school children and their teachers and other educational personnel, taking into account the number and educational needs of those children and their teachers and other educational personnel.

(2) Before determining equal expenditures under paragraph (a)(1) of this section, an agency or consortium of agencies shall pay for the reasonable and necessary administrative costs of providing services to public and private school children and their teachers and other educational personnel from the agency’s or consortium of agencies’ total allocation of funds under the applicable ESEA program.

(b) Services on an equitable basis. (1) The services that an agency or consortium of agencies provides to eligible private school children and their teachers and other educational personnel must also be equitable in comparison to the services and other benefits provided to public school children and their teachers or other educational personnel participating in a program under this subpart.

(2) Services are equitable if the agency or consortium of agencies—

(i) Addresses and assesses the specific needs and educational progress of eligible private school children and their teachers and other educational personnel on a comparable basis to public school children and their teachers and other educational personnel;

(ii) Determines the number of students and their teachers and other educational personnel to be served on an equitable basis;
§ 299.8 What are the requirements to ensure that funds do not benefit a private school?

(a) An agency or consortium of agencies shall use funds under a program listed in §299.6(b) to provide services that supplement, and in no case supplant, the level of services that would, in the absence of services provided under that program, be available to participating children and their teachers and other educational personnel in private schools.

(b) An agency or consortium of agencies shall use funds under a program listed in §299.6(b) to meet the special educational needs of participating children who attend a private school and their teachers and other educational personnel, but may not use those funds for—

(1) The needs of the private school; or

(2) The general needs of children and their teachers and other educational personnel in the private school.

§ 299.9 What are the requirements concerning property, equipment, and supplies for the benefit of private school children and teachers?

(a) A public agency must keep title to, and exercise continuing administrative control of, all property, equipment, and supplies that the public agency acquires with funds under a program listed in §299.6(b) for the benefit of eligible private school children and their teachers and other educational personnel.

(b) The public agency may place equipment and supplies in a private school for the period of time needed for the program.

(c) The public agency shall ensure that the equipment and supplies placed in a private school—

(1) Are used only for proper purposes of the program; and

(2) Can be removed from the private school without remodeling the private school facility.

(d) The public agency must remove equipment and supplies from a private school if—

(1) The equipment and supplies are no longer needed for the purposes of the program; or

(2) Removal is necessary to avoid unauthorized use of the equipment or supplies for other than the purposes of the program.

(e) No funds may be used for repairs, minor remodeling, or construction of private school facilities.

(f) For the purpose of this section, the term public agency includes the agency or consortium of agencies.
