§ 76.789 What are an SEA’s responsibilities under this subpart?

(a) Information. Upon receiving notice under § 76.788(a) of the date a charter school LEA is scheduled to open or significantly expand its enrollment, an SEA must provide the charter school LEA with timely and meaningful information about each covered program in which the charter school LEA may be eligible to participate, including notice of any upcoming competitions under the program.

(b) Allocation of Funds. (1) An SEA must allocate funds under a covered program in accordance with this subpart to any charter school LEA that—

(i) Opens for the first time or significantly expands its enrollment during an academic year for which the State awards funds by formula or through a competition under the program;

(ii) In accordance with § 76.791(a), establishes its eligibility and complies with all applicable program requirements; and

(iii) Meets the requirements of § 76.788(a).

(2) In order to meet the requirements of this subpart, an SEA may allocate funds to, or reserve funds for, an eligible charter school LEA based on reasonable estimates of projected enrollment at the charter school LEA.

(3)(i) The failure of an eligible charter school LEA or its authorized public chartering agency to provide notice to its SEA in accordance with § 76.788(a) relieves the SEA of any obligation to allocate funds to the charter school LEA within five months.

(ii) Except as provided in § 76.792(c), an SEA that receives less than 120 days’ actual notice of the date an eligible charter school LEA is scheduled to open or significantly expand its enrollment must allocate funds to the charter school LEA on or before the date the SEA allocates funds to LEAs under the applicable covered program for the succeeding academic year.

(iii) The SEA may provide funds to the charter school LEA from the SEA’s allocation under the applicable covered program for the academic year in which the charter school LEA opened or significantly expanded its enrollment, or from the SEA’s allocation under the program for the succeeding academic year.

§ 76.791 On what basis does an SEA determine whether a charter school LEA that opens or significantly expands its enrollment is eligible to receive funds under a covered program?

(a) For purposes of this subpart, an SEA must determine whether a charter school LEA is eligible to receive funds under a covered program based on actual enrollment or other eligibility data for the charter school LEA on or after the date the charter school LEA opens or significantly expands its enrollment.

(b) For the year the charter school LEA opens or significantly expands its enrollment, the eligibility determination may not be based on enrollment or eligibility data from a prior year, even if the SEA makes eligibility determinations for other LEAs under the program based on enrollment or eligibility data from a prior year.

§ 76.792 How does an SEA allocate funds to eligible charter school LEAs under a covered program in which the SEA awards subgrants on a formula basis?

(a) For each eligible charter school LEA that opens or significantly expands its enrollment on or before November 1 of an academic year, the SEA must implement procedures that ensure that the charter school LEA receives the proportionate amount of funds for which the charter school LEA is eligible under each covered program.
