(1) The name of the AMRAP agency and responsible office and, where applicable, its designated contractual representative that will conduct the proposed activities;
(2) The name, office address and telephone numbers of the AMRAP agency persons or contractor persons who will supervise the proposed activities, and a list of all individual’s names, addresses and telephone numbers who will be present at field activities;
(3) A list of any previous AMRAP activities or prior geologic and mineral resource assessments that have occurred in the proposed study area;
(4) A discussion of overall project objectives, schedules and products, and how the proposed activities for the current application relate to those objectives;
(5) A description of the activities proposed for approval, including a detailed description of the collection techniques, sampling methods and equipment to be used in each area;
(6) Topographic maps identifying the specific areas in units of the National Park System where the agency proposes to conduct each AMRAP activity;
(7) The approximate dates on which the AMRAP activities for each area are proposed to be commenced and completed;
(8) A description of access means and routes for each area in which work is proposed including an estimate of the number of flights or number of vehicle trips;
(9) A description of the field support requirements proposed for locations on lands within units of the National Park System, including camp sites, fuel storage areas, and any other requirements;
(10) A discussion which documents that proposed activities will be carried out in an environmentally sound manner utilizing the least impacting technology suitable for the purposes of the project; and
(11) A description of how any disturbed areas, such as camp sites, will be reclaimed.

§ 9.85 Environmental compliance.

Each AMRAP agency is responsible for obtaining all required Federal, State, and local permits and must provide sufficient information to the NPS to ensure appropriate compliance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.), the National Historic Preservation Act of 1966 (16 U.S.C. 470 et seq.), and other applicable statutes.

§ 9.86 Application review process and approval standards.

(a) The Regional Director will review applications submitted pursuant to §9.84 and will ensure that final action is taken on such applications by April 15 of each year. If additional review time is necessary to ensure compliance with this Subpart or with other applicable laws, Executive Orders and regulations, the Regional Director will promptly notify the AMRAP agency coordinator of the anticipated date of a final decision.
(b) The Regional Director is responsible for approving AMRAP activities in units of the National Park System in Alaska.
(c) To be approved, proposed AMRAP activities must be designed to be carried out in an environmentally sound manner, as determined in appropriate environmental documentation, that:
(1) Does not result in lasting environmental impacts that appreciably alter the natural character of the units or the integrity of the biological or ecological systems in the units; and
(2) Is compatible with the purposes and values for which the units are established; and
(3) Does not adversely affect the natural and cultural resources, visitor use, or administration of the area.

§ 9.87 Permitting requirements and standards.

(a) AMRAP activities approved by the Regional Director may be conducted in units of the National Park System pursuant to a permit issued by the Superintendent in accordance with this subpart, 36 CFR 1.6, and other applicable regulations, guidelines and policies.
(b) The NPS may restrict the conduct of AMRAP activities in certain areas and during sensitive periods, such as nesting, calving and spawning seasons,
§ 9.88 Permit modification, suspension, and cancellation.

(a) A proposal to modify, supplement, or otherwise amend an approved permit shall be made by an AMRAP agency by written request to the Regional Director. The Regional Director shall review and promptly act on the proposed modification pursuant to the standards set forth in §9.86. An AMRAP agency may not undertake any of the activities proposed in the modification until the Regional Director approves the modification and the Superintendent amends the approved permit.

(b) The Superintendent may modify, suspend or cancel an AMRAP agency’s permit by notifying the agency in writing, or orally in an emergency situation, when the Superintendent determines that:

1. Changes to the permit are necessary to address conditions not previously anticipated; or
2. There is imminent threat of serious, irreparable, or immediate harm or danger to public health and safety, or the natural and cultural resources and values of the unit; or
3. The AMRAP agency or its contractors fails to comply with the provisions of ANILCA or of any other applicable law or regulation, the provisions and conditions of the approved permit and any modification thereto, or any written or field orders issued by the Superintendent.

(c) Modification, suspension, or cancellation of an approved permit pursuant to paragraph (b) of this section shall be effective immediately upon receipt of oral or written notice from the Regional Director or the Superintendent. Notices issued orally shall be followed by written notice sent by certified mail within three (3) working days confirming and explaining the action. Suspensions shall remain in effect until the basis for the suspension has been corrected to the satisfaction of the Superintendent. Cancellation notices shall state the reason for cancellation and shall be sent by the Superintendent to the AMRAP agency at least fourteen (14) days in advance of the date the cancellation will become effective.

(d) Suspension or cancellation of a permit to conduct AMRAP activities shall not relieve the AMRAP agency or its contractors of the obligation to restore any location in accordance with the requirements of this subpart and to comply with all other obligations specified in this subpart and in the permit.

§ 9.89 Appeals.

Written appeals made within 30 days of notification of a final decision by the Regional Director pursuant to this subpart shall be reviewed by the Director of the National Park Service. Resolution of any outstanding issues shall follow current Department of the Interior procedures for resolving interagency disputes.
