

Forest Service, USDA

§ 223.83

(c) Variance between redetermined rates and rates appropriate for changes in costs or selling values subsequent to the rate redetermination which reduce conversion value to less than such redetermined rates; and

(d) Substantial loss of value due to physical deterioration of green timber or other physical damage to the sale area or access to the timber.

§ 223.65 Appraisal of timber for land exchange; right-of-way, or other authorized use.

The value of timber in land exchange or the value of timber required to be cut for occupancy of a right-of-way or other authorized use of National Forest System land for which payment will be made is to be determined by the appraisal methods in §223.60 of this part.

§ 223.66 [Reserved]

ADVERTISEMENT AND BIDS

§ 223.80 When advertisement is required.

Except as otherwise provided in this part each sale in which the appraised value of the timber or other forest products exceeds \$10,000 will be made only after advertisement for a period of 30 days or, if in the opinion of the officer authorizing the sale, the quantity, value or other conditions justify, a longer period; and any sale of smaller appraised value will be advertised or informal bids solicited from potential purchasers if, in the judgment of the officer authorizing the sale, such action is deemed advisable.

§ 223.81 Shorter advertising periods in emergencies.

In emergency situations where prompt removal of timber included in a sale is essential to avoid deterioration or to minimize the likelihood of the spread of insects, the approving officer may authorize shortening the formal advertising period to not less than 7 days. In other emergency situations, or for timber sold under 36 CFR 223.2 the Regional Forester or Chief may author-

ize shortening the formal advertising period to not less than 7 days.

§ 223.82 Contents of advertisement.

(a) A timber sale advertisement shall include the following information:

(1) The location and estimated quantities of timber or other forest products offered for sale.

(2) The time and place at which sealed bids will be opened in public or at which sealed bids will be opened in public followed by an oral auction.

(3) A provision asserting the agency's right to reject any and all bids.

(4) The place where complete information on the offering may be obtained.

(5) Notice that a prospectus is available to the public and to interested potential bidders.

(b) For each timber sale which includes specified road construction with total estimated construction costs of \$50,000 or more, the advertisement shall also include:

(1) The total estimated construction cost of the permanent roads.

(2) A statement extending to small business concerns qualified for preferential bidding on timber sales, under the Small Business Act, as amended, and the regulations issued thereunder, the option to elect, when submitting a bid, to have all permanent roads constructed by the Forest Service.

(3) Notice that the prospectus referred to in paragraph (a)(5) of this section contains additional information concerning the options to have all permanent roads constructed by the Forest Service.

(c) When timber or other forest products are offered for preferential bidding in accordance with the Small Business Act, as amended, the advertisement shall state that the offering is set-aside for competitive bidding by small business concerns.

§ 223.83 Contents of prospectus.

(a) A timber sale prospectus shall specify, as a minimum:

§ 223.84

36 CFR Ch. II (7–1–13 Edition)

(1) The minimum acceptable stumpage or other unit prices and the amount or rate of any additional required deposits.

(2) The amount of bid guarantee which must accompany each bid.

(3) The amount of cash deposit or down payment to be made promptly by the successful bidder.

(4) The location and area of the sale, including harvest acreage.

(5) The estimated volumes, quality, size or age class of timber.

(6) A description of special logging requirements for the sale.

(7) The status of marking at time of advertisement.

(8) The method of bidding which will be used.

(9) The contract form to be used.

(10) The estimated deposits for reforestation and stand improvement work.

(11) The contract termination date and normal operating period.

(12) The date and amount of periodic payments which are to be made.

(13) The discount of payment rates for early harvest, if appropriate.

(14) The amount of performance bond required.

(15) The road standards for specified roads to be constructed.

(16) The estimated road construction cost and the estimated public works construction cost.

(17) For deficit sales:

(i) An estimate of the difference between fair market value and advertised value, that is, the amount by which the advertised value exceeds the appraised value.

(ii) The amount of Forest Service funds or materials to be used to offset the deficit.

(18) Status of financial assistance available to small business purchasers.

(19) Notification of preferential award to small business firms and certification requirements for set-aside sales.

(20) Notification of log export and substitution restrictions.

(21) Notification of Equal Employment Opportunity compliance review requirements.

(22) General or special information concerning the sale which are deemed appropriate to furnish sufficient infor-

mation to prospective purchasers to warrant further investigation.

(b) For each advertisement which extends to small concerns the option to have all permanent roads constructed by the Forest Service, the prospectus shall also include:

(1) The road standards applicable to construction of permanent roads or a reference to the source of such information.

(2) The date of final completion for all permanent roads.

(3) A statement explaining how the Forest Service intends to perform road construction by force account or contract, if the high bidder elects Forest Service construction.

(4) The maximum period for which timber sale contract award will be delayed while the Forest Service seeks a satisfactory construction bid. The period stated shall not exceed 120 days unless the Regional Forester approves a longer period.

[50 FR 32696, Aug. 14, 1985, as amended at 71 FR 523, Jan. 4, 2006; 71 FR 11510, Mar. 8, 2006]

§ 223.84 Small business bid form provisions on sales with specified road construction.

For each sale described in § 223.82(b), the bid form must include provision for a small business concern:

(a) To elect road construction by the Forest Service and where such election is made;

(b) To certify as to small business status, and

(c) To indicate knowledge—

(1) Of the road construction completion date,

(2) That the Forest Service expects to contract for road construction with a third party,

(3) That the timber sale contract will not be awarded unless a satisfactory road construction bid is received or, if the Forest Service fails to receive such a bid within a maximum period stated in the advertisement, the bidder agrees to perform road construction,

(4) That the Forest Service may extend the maximum award delay time by the amount of time needed to confirm the bidder's size status or by any time in excess of 40 days from timber sale bid opening needed to begin solicitation of construction bids, and
