§ 327.16 Lost and found articles.

All articles found shall be deposited by the finder at the Manager’s office or with a ranger. All such articles shall be disposed of in accordance with the procedures set forth in § 327.15.

§ 327.17 Advertisement.

(a) Advertising and the distribution of printed matter is allowed within project land and waters provided that a permit to do so has been issued by the District Commander and provided that this activity is not solely commercial advertising.

(b) An application for such a permit shall set forth the name of the applicant, the name of the organization (if any), the date, time, duration, and location of the proposed advertising or the distribution of printed matter, the number of participants, and any other information required by the permit application form. Permit conditions and procedures are available from the District Commander.

(c) Vessels and vehicles with semipermanent or permanent painted or installed signs are exempt as long as they are used for authorized recreational activities and comply with all other rules and regulations pertaining to vessels and vehicles.

(d) The District Commander shall, without unreasonable delay, issue a permit on proper application unless:

(1) Cause injury or damage to project resources; or

(2) Unreasonably impair the atmosphere of the peace and tranquility maintained in natural, historic, or commemorative zones; or

(3) Unreasonably interfere with interpretive, visitor service, or other program activities, or with the administrative activities of the Corps of Engineers; or

(4) Substantially impair the operation of public use facilities or services of Corps of Engineers concessioners or contractors; or

(5) Present a clear and present danger to the public health and safety.

(e) The District Commander shall designate on a map, which shall be available for inspection in the applicable project office, the locations within the project that are available for the advertising or the distribution of printed matter. Locations may be designated as not available only if the advertising or the distribution of printed matter would:

(1) Cause injury or damage to project resources; or

(2) Unreasonably impair the atmosphere of the peace and tranquility maintained in natural, historic, or commemorative zones; or

(3) Unreasonably interfere with interpretive, visitor service, or other program activities, or with the administrative activities of the Corps of Engineers; or

(4) Substantially impair the operation of public use facilities or services of Corps of Engineers concessioners or contractors; or

(5) Present a clear and present danger to the public health and safety.

(f) The permit may contain such conditions as are reasonably consistent with protection and use of the project area for the purposes for which it is established.

(g) The permit shall be issued for a period in excess of 14 consecutive days,
