§ 1.496 Examination of international applications in the national stage.

National stage applications having paid therein the search fee as set forth in §1.492(b)(1) and examination fee as set forth in §1.492(c)(1) may be amended subsequent to the date of commencement of national stage processing only to the extent necessary to eliminate objections as to form or to cancel rejected claims. Such national stage applications will be advanced out of turn for examination.

§ 1.497 Inventor’s oath or declaration under 35 U.S.C. 371(c)(4).

(a) When an applicant of an international application desires to enter the national stage under 35 U.S.C. 371 pursuant to §1.495, and a declaration in compliance with §1.63 has not been previously submitted in the international application under PCT Rule 4.17(iv) within the time limits provided for in PCT Rule 26ter.1, the applicant must file the inventor’s oath or declaration. The inventor, or each individual who is a joint inventor of a claimed invention, in an application for patent must execute an oath or declaration in accordance with the conditions and requirements of §1.63, except as provided for in §1.64.

(b) An oath or declaration under §1.63 will be accepted as complying with 35 U.S.C. 371(c)(4) if it complies with the requirements of §§1.63(a), (c) and (g). A substitute statement under §1.64 will be accepted as complying with 35 U.S.C. 371(c)(4) if it complies with the requirements of §§1.64(b)(1), (c) and (e) and identifies the person executing the substitute statement. If a newly executed inventor’s oath or declaration under §1.63 or substitute statement under §1.64 is not required pursuant to §1.63(d), submission of the copy of the previously executed oath, declaration, or substitute statement under §1.63(d)(1) is required to comply with 35 U.S.C. 371(c)(4).

(c) If an oath or declaration under §1.63, or substitute statement under §1.64, meeting the requirements of §1.497(b) does not also meet the requirements of §1.63 or §1.64, an oath, declaration, substitute statement, or application data sheet in accordance with §1.76 to comply with §1.63 or §1.64 will be required.

§ 1.499 Unity of invention during the national stage.

If the examiner finds that a national stage application lacks unity of invention under §1.475, the examiner may in an Office action require the applicant in the response to that action to elect the invention to which the claims shall be restricted. Such requirement may be made before any action on the merits but may be made at any time before the final action at the discretion of the examiner. Review of any such requirement is provided under §§1.143 and 1.144.

CITATION OF PRIOR ART AND WRITTEN STATEMENTS

§ 1.501 Citation of prior art and written statements in patent files.

(a) Information content of submission: At any time during the period of enforceability of a patent, any person may file a written submission with the Office under this section, which is directed to the following information:

(1) Prior art consisting of patents or printed publications which the person making the submission believes to have a bearing on the patentability of any claim of the patent; or

(2) Statements of the patent owner filed by the patent owner in a proceeding before a Federal court or the Office in which the patent owner took a position on the scope of any claim of the patent. Any statement submitted under this paragraph must be accompanied by any other documents, pleadings, or evidence from the proceeding in which the statement was filed that address the written statement, and such statement and accompanying information under this paragraph must
