(3) Number of vehicles or engines involved in the voluntary emissions recall campaign.
(4) Number of vehicles or engines known or estimated to be affected by the emission-related defect and an explanation of the means by which this number was determined.
(5) Number of vehicles or engines inspected pursuant to the voluntary emissions recall plan.
(6) Number of inspected vehicles found to be affected by the emission-related defect.
(7) Number of vehicles actually receiving repair under the remedial plan.
(8) Number of vehicles determined to be unavailable for inspection or repair under the remedial plan due to exportation, theft, scrapping, or for other reasons (specify).
(9) Number of vehicles or engines determined to be ineligible for remedial action due to a failure to properly maintain or use such vehicles or engines.
(10) Three copies of any service bulletins transmitted to dealers which relate to the defect to be corrected and which have not previously been reported.
(11) Three copies of all communications transmitted to vehicle or engine owners which relate to the defect to be corrected and which have not previously been submitted.
(c) If the manufacturer determines that any of the information requested in paragraph (b) of this section has changed or was incorrect, revised information and an explanatory note shall be submitted. Answers to paragraphs (b)(5), (6), (7), (8), and (9) of this section shall be cumulative totals.
(d) The manufacturer shall maintain in a form suitable for inspection, such as computer information storage devices or card files, the names and addresses of vehicles or engine owners:
   (1) To whom notification was given;
   (2) Who received remedial repair or inspection under the remedial plan; and
   (3) Who were determined not to qualify for such remedial action when eligibility is conditioned on proper maintenance or use.
(e) The records described in paragraph (d) of this section shall be made available to the Administrator upon request.

§ 85.1905 Alternative report formats.
(a) Any manufacturer may submit a plan for making either of the reports required by §§85.1903 and 85.1904 on computer cards, magnetic tape or other machine readable format. The proposed plan shall be accompanied by sufficient technical detail to allow a determination that data requirements of these sections will be met and that the data in such format will be usable by EPA.
(b) Upon approval by the Administrator of the proposed reporting system, the manufacturer may utilize such system until otherwise notified by the Administrator.

§ 85.1906 Report filing: Record retention.
(a) The reports required by §§85.1903 and 85.1904 shall be sent to: Director, Manufacturers Operations Division (EN 340), Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460.
(b) The information gathered by the manufacturer to compile the reports required by §§85.1903 and 85.1904 shall be retained for not less than five years from the date of the manufacture of the vehicles or engines and shall be made available to duly authorized officials of the EPA upon request.

§ 85.1907 Responsibility under other legal provisions preserved.
The filing of any report under the provisions of this subpart shall not affect a manufacturer’s responsibility to file reports or applications, obtain approval, or give notice under any provision of law.

§ 85.1908 Disclaimer of production warranty applicability.
(a) The act of filing an Emission Defect Information Report pursuant to §85.1903 is inconclusive as to the existence of a defect subject to the Production Warranty provided by section 207 (a) of the Act.
(b) A manufacturer may include on each page of its Emission Defect Information Report a disclaimer stating
