Environmental Protection Agency § 97.388

divided by the total number of days in the control period; and

(C) Rounded to the nearest whole allowance as appropriate.

[65 FR 2727, Jan. 18, 2000, as amended at 71 FR 74795, Dec. 13, 2006]

§ 97.388 CAIR NO₅ Ozone Season allowance allocations to CAIR NO₅ Ozone Season opt-in units.

(a) Timing requirements. (1) When the CAIR opt-in permit is issued under §97.384(e), the permitting authority will allocate CAIR NO₅ Ozone Season allowances to the CAIR NO₅ Ozone Season opt-in unit, and submit to the Administrator the allocation for the control period in which a CAIR NO₅ Ozone Season opt-in unit enters the CAIR NO₅ Ozone Season Trading Program under §97.384(g), in accordance with paragraph (b) or (c) of this section.

(2) By no later than July 31 of the control period after the control period in which a CAIR NO₅ Ozone Season opt-in unit enters the CAIR NO₅ Ozone Season Trading Program under §97.384(g) and July 31 of each year thereafter, the permitting authority will allocate CAIR NO₅ Ozone Season allowances to the CAIR NO₅ Ozone Season opt-in unit, and submit to the Administrator the allocation for the control period that includes such submission deadline and in which the unit is a CAIR NO₅ Ozone Season opt-in unit, in accordance with paragraph (b) or (c) of this section.

(b) Calculation of allocation. For each control period for which a CAIR NO₅ Ozone Season opt-in unit is to be allocated CAIR NO₅ Ozone Season allowances, the permitting authority will allocate in accordance with the following procedures, if provided in a State implementation plan revision submitted in accordance with §51.123(ee)(3)(i), (ii), or (iii) of this chapter and approved by the Administrator:

(1) The heat input (in mmBtu) used for calculating the CAIR NO₅ Ozone Season allowance allocation will be the lesser of:

(i) The CAIR NO₅ Ozone Season opt-in unit’s baseline heat input determined under §97.384(c); or

(ii) The CAIR NO₅ Ozone Season opt-in unit’s heat input, as determined in accordance with subpart HHHH of this part, for the immediately prior control period, except when the allocation is being calculated for the control period in which the CAIR NO₅ Ozone Season opt-in unit enters the CAIR NO₅ Ozone Season Trading Program under §97.384(g).

(2) The NOₓ emission rate (in lb/mmBtu) used for calculating CAIR NO₅ Ozone Season allowance allocations will be the lesser of:

(i) The CAIR NO₅ Ozone Season opt-in unit’s baseline NOₓ emissions rate (in lb/mmBtu) determined under §97.384(d) and multiplied by 70 percent; or

(ii) The most stringent State or Federal NOₓ emissions limitation applicable to the CAIR NO₅ Ozone Season opt-in unit at any time during the control period for which CAIR NO₅ Ozone Season allowances are to be allocated.

(3) The permitting authority will allocate CAIR NO₅ Ozone Season allowances to the CAIR NO₅ Ozone Season opt-in unit in an amount equaling the heat input under paragraph (b)(1) of this section, multiplied by the NOₓ emission rate under paragraph (b)(2) of this section, divided by 2,000 lb/ton, and rounded to the nearest whole allowance as appropriate.

(c) Notwithstanding paragraph (b) of this section and if the CAIR designated representative requests, and the permitting authority issues a CAIR opt-in permit (based on a demonstration of the intent to repower stated under §97.383 (a)(5)) providing for, allocation to a CAIR NO₅ Ozone Season opt-in unit of CAIR NO₅ Ozone Season allowances under this paragraph (subject to the conditions in §§97.384(h) and 97.386(g)), the permitting authority will allocate to the CAIR NO₅ Ozone Season opt-in unit as follows, if provided in a State implementation plan revision submitted in accordance with §51.123(ee)(3)(i), (ii), or (iii) of this chapter and approved by the Administrator:

(1) For each control period in 2009 through 2014 for which the CAIR NO₅ Ozone Season opt-in unit is to be allocated CAIR NO₅ Ozone Season allowances,

(i) The heat input (in mmBtu) used for calculating CAIR NO₅ Ozone Season allowances to the CAIR NO₅ Ozone Season opt-in unit will be the lesser of:

(ii) The CAIR NO₅ Ozone Season opt-in unit’s baseline heat input determined under §97.384(c); or

(3) The permitting authority will allocate CAIR NO₅ Ozone Season allowances to the CAIR NO₅ Ozone Season opt-in unit in an amount equaling the heat input under paragraph (b)(1) of this section, multiplied by the NOₓ emission rate under paragraph (b)(2) of this section, divided by 2,000 lb/ton, and rounded to the nearest whole allowance as appropriate.

(3) The permitting authority will allocate CAIR NO₅ Ozone Season allowances to the CAIR NO₅ Ozone Season opt-in unit in an amount equaling the heat input under paragraph (b)(1) of this section, multiplied by the NOₓ emission rate under paragraph (b)(2) of this section, divided by 2,000 lb/ton, and rounded to the nearest whole allowance as appropriate.
allowance allocations will be determined as described in paragraph (b)(1) of this section.

(ii) The NOx emission rate (in lb/mmBtu) used for calculating CAIR NOx Ozone Season allowances will be the lesser of:

(A) The CAIR NOx Ozone Season opt-in unit’s baseline NOx emissions rate (in lb/mmBtu) determined under §97.384(d); or

(B) The most stringent State or Federal NOx emissions limitation applicable to the CAIR NOx Ozone Season opt-in unit at any time during the control period in which the CAIR NOx Ozone Season opt-in unit enters the CAIR NOx Ozone Season Trading Program under §97.384(g).

(iii) The permitting authority will allocate CAIR NOx Ozone Season allowances to the CAIR NOx Ozone Season opt-in unit in an amount equaling the heat input under paragraph (c)(1)(i) of this section, multiplied by the NOx emission rate under paragraph (c)(1)(i) of this section, divided by 2,000 lb/ton, and rounded to the nearest whole allowance as appropriate.

(2) For each control period in 2015 and thereafter for which the CAIR NOx Ozone Season opt-in unit is to be allocated CAIR NOx Ozone Season allowances,

(i) The heat input (in mmBtu) used for calculating the CAIR NOx Ozone Season allowance allocations will be determined as described in paragraph (b)(1) of this section.

(ii) The NOx emission rate (in lb/mmBtu) used for calculating the CAIR NOx Ozone Season allowance allocation will be the lesser of:

(A) 0.15 lb/mmBtu;

(B) The CAIR NOx Ozone Season opt-in unit’s baseline NOx emissions rate (in lb/mmBtu) determined under §97.384(d); or

(C) The most stringent State or Federal NOx emissions limitation applicable to the CAIR NOx Ozone Season opt-in unit at any time during the control period for which CAIR NOx Ozone Season allowances are to be allocated.

(iii) The permitting authority will allocate CAIR NOx Ozone Season allowances to the CAIR NOx Ozone Season opt-in unit in an amount equaling the heat input under paragraph (c)(2)(i) of this section, multiplied by the NOx emission rate under paragraph (c)(2)(ii) of this section, divided by 2,000 lb/ton, and rounded to the nearest whole allowance as appropriate.

(d) Recordation. If provided in a State implementation plan revision submitted in accordance with §51.123(eee)(3)(i), (ii), or (iii) of this chapter and approved by the Administrator:

(1) The Administrator will record, in the compliance account of the source that includes the CAIR NOx Ozone Season opt-in unit, the CAIR NOx Ozone Season allowances allocated by the permitting authority to the CAIR NOx Ozone Season opt-in unit under paragraph (a)(1) of this section.

(2) By September 1 of the control period in which a CAIR NOx Ozone Season opt-in unit enters the CAIR NOx Ozone Season Trading Program under §97.384(g) and September 1 of each year thereafter, the Administrator will record, in the compliance account of the source that includes the CAIR NOx Ozone Season opt-in unit, the CAIR NOx Ozone Season allowances allocated by the permitting authority to the CAIR NOx Ozone Season opt-in unit under paragraph (a)(2) of this section.

APPENDIX A TO SUBPART IIII OF PART 97—STATES WITH APPROVED STATE IMPLEMENTATION PLAN REVISIONS CONCERNING CAIR NOx OZONE SEA- SON OPT-IN UNITS

1. The following States have State Implementation Plan revisions under §51.123(eee)(3) of this chapter approved by the Administrator and establishing procedures providing for CAIR NOx Ozone Season opt-in units under subpart IIII of this part and allocation of CAIR NOx Ozone Season allowances to such units under §97.388(b):

Indiana
Michigan
North Carolina
Ohio
South Carolina
Tennessee

2. The following States have State Implementation Plan revisions under §51.123(eee)(3) of this chapter approved by the Administrator and establishing procedures providing for CAIR NOx Ozone Season opt-in units under subpart IIII of this part and allocation of CAIR NOx Ozone Season allowances to such units under §97.388(c):

Indiana
