§ 109–43.5000

(i) Data for all personal property furnished to elementary and secondary schools and non-profit organizations under initiatives to support science and mathematics education.

(2) Field office feeder reports shall not include data for contractor inventory which is declared excess and subsequently redistributed through REAPS (or other means within DOE) to other DOE contractors or designated contractors’ subcontractors.

(3) The feeder report from the Office of Science Education Programs, using the following format, will include data for all personal property furnished to non-federal recipients and institutions of higher learning under the ERLE Grant Program.

Subpart 109–44—Donation of Personal Property

§ 109–44.701 Findings justifying donation to public bodies.

The Director, Office of Administrative Services and heads of field organizations shall appoint officials to make required findings and reviews.

§ 109–44.702 Donations to public bodies.

§ 109–44.702–3 Hazardous materials.

The Director, Office of Administrative Services and heads of field organizations shall be responsible for the safeguards, notifications, and certifications required by 41 CFR part 101–42 and part 109–42 of this chapter, as well as compliance with all other requirements therein.

Subpart 109–45—Sale, Abandonment, or Destruction of Personal Property

§ 109–45.105 Exclusions and exemptions.

109–45.105 Exclusions.

(a) Equipment, spares, stores items, and materials peculiar to a plant should be retained for possible future operation of the plant;
(b) Where practicable, common-use stores should be removed and used elsewhere; and
(c) Uninstalled equipment and other personal property not required should be utilized elsewhere on-site or be disposed of as excess.

PART 109–44—DONATION OF PERSONAL PROPERTY
