§ 130.21 What documentation is required for petitions filed by living persons with HIV?

The following rules apply to all petitions filed by persons with HIV:

(a) All petitions filed under the Act must include written medical documentation showing:

(1) That the individual described in §130.10(a) has (or had) a blood-clotting disorder, such as hemophilia;

(2) That the individual with a blood-clotting disorder and HIV was treated with HIV according to the laws of the place where the person resided at the time of death.

(b) An affidavit, signed under penalty of perjury, by a physician, nurse practitioner or physician assistant, verifying that the medical criteria necessary for a petitioner to be eligible for payment under the Act are satisfied. Such an affidavit must include the physician’s, nurse practitioner’s or physician assistant’s State of practice, and license, certification or registration number, as applicable. A sample affidavit is set forth at Appendix B to this part.
