exceptionally qualified for the performance of duties requiring highly specialized training or experience may be recommended for appointment in the Reserve Corps in any grade up to and including the director grade without regard to the additional years of post-graduate training or experience prescribed for grades above the assistant grade.

§ 21.56 Reappointment.

An officer of the Reserve Corps, after being examined and found qualified for reappointment, may be recommended for reappointment to the same grade in the event that his commission expires before he becomes eligible for reappointment to a higher grade, or may be recommended for reappointment to a higher grade to be effective on or after the date on which he meets the qualifications prescribed in this subpart for original appointment to such higher grade.

§ 21.57 Examination for reappointment.

The examination of an officer of the Reserve Corps on active duty who is being considered for reappointment in such corps shall consist of a review and evaluation of his record with the Service. The examination of an officer of the Reserve Corps on inactive duty who is being considered for reappointment in such corps shall consist of (a) a review and evaluation of his record with the Service while on active duty, if any, and (b) the record of his training or experience during the period of his inactive duty preceding such examination. In the discretion of the Surgeon General the examination for reappointment of an officer, whether on active or inactive duty, may include an oral interview.

§ 21.58 Physical examination for reappointment.

Every officer of the Reserve Corps being considered for reappointment shall undergo such physical examination as the Surgeon General may direct. An officer on active duty may be recommended for reappointment unless he is found to have a physical disability which is determined to render him physically unfit to perform the du-

ties of his office under section 402 of the Career Compensation Act of 1949, as amended. An officer may be recommended for promotion only if he meets the physical qualifications for original appointment. If an officer is not available to be physically examined because of circumstances which make it impracticable for the Service to require such examination, he may, in the discretion of the Surgeon General, be reappointed without such examination, but shall be examined as soon thereafter as practicable and his physical qualification or disqualification for continued or future active service shall be determined on the same basis as if the physical examination had been given prior to reappointment.
