§ 51a.2 Definitions.

Act means the Social Security Act, as amended.

Genetic diseases means inherited disorders caused by the transmission of certain aberrant genes from one generation to another.

Hemophilia means a genetically transmitted bleeding disorder resulting from a deficiency of a plasma clotting factor.

Institution of higher learning means any college or university accredited by a regionalized body or bodies approved for such purpose by the Secretary of Education, and any teaching hospital which has higher learning among its purposes and functions and which has a formal affiliation with an accredited school of medicine and a full-time academic medical staff holding faculty status in such school of medicine.

Secretary means the Secretary of Health and Human Services or his or her designee.

§ 51a.3 Who is eligible to apply for Federal funding?

(a) With the exception of training and research, as described in paragraph (b) of this section, any public or private entity, including an Indian tribe or tribal organization (as those terms are defined at 25 U.S.C. 450b) is eligible to apply for federal funding under this Part.

(b) Only public or nonprofit private institutions of higher learning may apply for training grants. Only public or nonprofit institutions of higher learning and public or private nonprofit agencies engaged in research or in programs relating to maternal and child health and/or services for children with special health care needs may apply for grants contracts or cooperative agreements for research in maternal and child health services or in services for children with special health care needs.

§ 51a.4 How is application made for Federal funding?

An application for funding under the MCH Federal Set-Aside project grant programs must be submitted to the Secretary at such time and in such manner as the Secretary may prescribe. It must include a budget and narrative plan of the manner in which the project will meet each of the requirements prescribed by the Secretary. The plan must describe the project in sufficient detail to identify clearly the nature, need, and specific objectives of, and methodology for carrying out, the project.

§ 51a.5 What criteria will DHHS use to decide which projects to fund?

(a) The Secretary will determine the allocation of funds available under sections 502(a) and 502(b)(1)(A) of the Act for each of the activities described in § 51a.1.

(b) Within the limit of funds determined by the Secretary to be available for each of the activities described in § 51a.1, the Secretary may award Federal funding for projects under this part to applicants which will, in his or her judgment, best promote the purpose of title V of the Social Security Act and address achievement of Healthy Children 2000 objectives,\(^1\) taking the following factors into account:

---

(1) The extent to which the project will contribute to the advancement of maternal and child health and/or improvement of the health of children with special health care needs;

(2) The extent to which the project is responsive to policy concerns applicable to MCH grants and to program objectives, requirements, priorities and/or review criteria for specific project categories, as published in program announcements or guidance materials;

(3) The extent to which the estimated cost to the Government of the project is reasonable, considering the anticipated results;

(4) The extent to which the project personnel are well qualified by training and/or experience for their roles in the project and the applicant organization has adequate facilities and personnel; and

(5) The extent to which, insofar as practicable, the proposed activities, if well executed, are capable of attaining project objectives.

(c) For the following types of CISS projects, preference for funding will be given to qualified applicants in areas with a high infant mortality rate (relative to the latest average infant mortality rate in the United States or in the State in which the area is located):

(1) Projects for the development and expansion of maternal and infant health home visiting;

(2) Projects to increase the participation of obstetricians and pediatricians in title V and title XIX programs;

(3) Integrated maternal and child health service systems;

(4) Maternal and child health centers operating under the direction of not-for-profit hospitals;

(5) Rural maternal and child health programs; and

(6) Outpatient and community based services for children with special health care needs.

§ 51a.7 What confidentiality requirements must be met?

All information as to personal facts and circumstances obtained by the project’s staff about recipients of services shall be held confidential, and shall not be disclosed without the individual’s consent except as may be otherwise required by applicable law or as may be necessary to provide for medical audits by the Secretary with appropriate safeguards for confidentiality of patient records. Otherwise, information may be disclosed only in summary, statistical, or other form which does not identify particular individuals.

§ 51a.7 What other DHHS regulations apply?

(a) Several other DHHS regulations apply to awards under this part. These include, but are not limited to:

42 CFR part 50—Policies of general applicability:

subpart B—Sterilization of persons in federally assisted family planning projects.

subpart C—Abortions and related medical services in federally assisted programs of the Public Health Service.
