§ 52a.1 To which programs do these regulations apply?

(a) The regulations of this part apply to grants by the National Institutes of Health and its organizational components to support the planning, establishment, expansion, and operation of research and demonstration and/or multipurpose centers in health fields described in this paragraph. Specifically, these regulations apply to:

1. National Institute of Mental Health centers of excellence with respect to research on autism, as authorized by section 409C of the Act (42 U.S.C. 284g);

2. National cancer research and demonstration centers (including payments for construction), as authorized by section 414 of the Act (42 U.S.C. 285a–3);

3. National cancer research and demonstration centers with respect to breast cancer, as authorized by section 417 of the Act (42 U.S.C. 285a–6);

4. National cancer and demonstration centers with respect to prostate cancer, as authorized by section 417A of the Act (42 U.S.C. 285a–7);

5. National research and demonstration centers for heart, blood vessel, lung, and blood diseases, sickle cell anemia, blood resources, and pediatric cardiovascular diseases (including payments for construction), as authorized by section 422 of the Act (42 U.S.C. 285b–4);

6. Research and training centers (including diabetes mellitus, and digestive, endocrine, metabolic, kidney and urologic diseases), as authorized by section 431 of the Act (42 U.S.C. 285c–5);

7. Research and training centers regarding nutritional disorders, as authorized by section 434 of the Act (42 U.S.C. 285d–6);

8. Multipurpose arthritis and musculoskeletal diseases centers (including payments for alteration, but not construction), as authorized by section 441 of the Act (42 U.S.C. 285e–2);

9. National Institutes of Health centers of excellence with respect to research on Alzheimer’s disease, as authorized by section 445 of the Act (42 U.S.C. 285f–1);

10. Claude D. Peppers Older Americans Independence Centers, as authorized by section 445A of the Act (42 U.S.C. 285g–2);

11. Centers of excellence in Alzheimer’s disease research and treatment, as authorized by section 445I of the Act (42 U.S.C. 285e–10a);

12. Research centers regarding chronic fatigue syndrome, as authorized by section 447 of the Act (42 U.S.C. 285f–5);

13. Research centers with respect to contraception and infertility, as authorized by section 452A of the Act (42 U.S.C. 285g–5);
(14) Child health research centers, as authorized by section 452C of the Act (21 U.S.C. 285g–7);
(15) Fragile X research centers, as authorized by 452E of the Act (21 U.S.C. 285g–9);
(16) Multipurpose deafness and other communication disorders centers, as authorized by section 464C of the Act (21 U.S.C. 285m–3);
(17) National drug abuse research centers, as authorized by section 464N of the Act (21 U.S.C. 285o–2);
(18) Centers of excellence in biomedical and behavioral research training for individuals who are members of minority health disparity populations or other health disparity populations, as authorized by section 485F of the Act (21 U.S.C. 287c–32); and

(b) This part does not apply to:
(1) Grants for construction (see 42 CFR part 52b), except as noted in paragraph (a) of this section;
(2) Grants covered by 42 CFR part 52 (grants for research projects); or
(3) Grants for general research support under section 301(a)(3) of the Act (21 U.S.C. 241(a)(3)).

(c) This part also applies to cooperative agreements made to support the centers specified in paragraph (a) of this section. When a reference is made in this part to “grants,” the reference shall include “cooperative agreements.”

§ 52a.2 Definitions.

As used in this part:
Act means the Public Health Services Act, as amended (42 U.S.C. 201 et seq.).
Center means:
(a) For purposes of grants authorized by section 452C of the Act, a public or nonprofit private entity which provides for planning and conducting basic and clinical research into the cause, diagnosis, early detection, prevention, control, and treatment of autism, including the fields of developmental neurobiology, genetics, and psychopharmacology;
(b) For purposes of grants authorized by section 414 of the Act, an agency or institution which provides for planning and conducting basic and clinical research into, training in, and demonstration of advanced diagnostic, control, prevention and treatment methods for cancer;
(c) For purposes of grants authorized by section 417 of the Act, an agency or institution which provides for planning and conducting basic, clinical, epidemiological, psychological, prevention and treatment research and related activities on breast cancer;
(d) For purposes of grants authorized by section 417A of the Act, an agency or institution which provides for planning and conducting basic, clinical, and epidemiological, psychosocial, prevention and control, treatment, research, and related activities on prostate cancer;
(e) For purposes of grants authorized by section 422 of the Act, an agency or institution which provides for planning and basic and clinical research into, training in, and demonstration of, management of blood resources and advanced diagnostic, prevention, and treatment methods (including emergency services) for heart, blood vessel, lung, or blood diseases including sickle cell anemia;
(f) For purposes of grants authorized by section 431 of the Act, a single institution or a consortium of cooperating institutions, which conducts research, training, information programs, epidemiological studies, data collection activities and development of model programs in diabetes mellitus and related endocrine and metabolic diseases;
(g) For purposes of grants authorized by section 434 of the Act, a single institution or a consortium of cooperating institutions which conducts basic and clinical research, training, and information programs in nutritional disorders, including obesity;
(h) For purposes of grants authorized by section 441 of the Act, a facility which conducts basic and clinical research into arthritis and musculoskeletal diseases; and orthopedic procedures, training, and information programs for the health community and the general public;
