by the Director, taking into account the cost of living and such other factors as the needs of the program and the availability of funds.

§ 65.8 What additional Department regulations apply to grantees?

Several other regulations and policies apply to grants under this part. These include, but are not limited to:

42 CFR part 50, subpart D—Public Health Service grant appeals procedure.
45 CFR part 16—Procedures of the Departmental Grant Appeals Board.
45 CFR part 74—Administration of grants.
45 CFR part 75—Informal grant appeals procedures.
45 CFR part 76, subparts A–F—Government-wide debarment and suspension (non-procurement) and government-wide requirements for drug-free workplace (grants).
45 CFR part 80—Nondiscrimination under programs receiving Federal assistance through the Department of Health and Human Services—Effectuation of title VI of the Civil Rights Act of 1964.
45 CFR part 81—Practice and procedure for hearings under part 80 of this title.
45 CFR part 84—Nondiscrimination on the basis of handicap in programs and activities receiving or benefiting from Federal financial assistance.
45 CFR part 86—Nondiscrimination on the basis of sex in education programs and activities receiving or benefiting from Federal financial assistance.
45 CFR part 91—Uniform Administrative Requirements for Grants and Cooperative Agreements to State and local Governments.
45 CFR part 92—New restrictions on lobbying.

§ 65.9 Additional conditions.

The Director may with respect to any award impose additional conditions prior to, or at the time of, any award when, in the Director’s judgment, such conditions are necessary to assure the carrying out of the purposes of the award, the interest of the public health, or the conservation of funds awarded.

PART 65a—NATIONAL INSTITUTE OF ENVIRONMENTAL SCIENCES HAZARDOUS SUBSTANCES BASIC RESEARCH AND TRAINING GRANTS

§ 65a.1 To what programs do these regulations apply?

(a) The regulations of this part apply to the award of grants to support programs for basic research and training directed towards understanding, assessing, and attenuating the adverse effects on human health resulting from exposure to hazardous substances, as authorized under section 311(a) of the Act (42 U.S.C. 9660(a)). The purpose of these programs is to carry out coordinated, multi-component, interdisciplinary research consisting of at least three or more biomedical research projects relating to hazardous substances and at least one non-biomedical research project in the fields of ecology, hydrogeology, and/or engineering, and including the training of investigators as part of the grantee’s overall program.

(b) The regulations of this part also apply to cooperative agreements awarded to support the programs described in paragraph (a) of this section. References to “grant(s)” shall include “cooperative agreement(s).”

(c) The regulations of this part do not apply to:

(1) Research training support under the National Research Service Awards Program (see part 66 of this chapter),
(2) Research, demonstration, and training support under the NIH Center Grants programs (see part 52a of this chapter),

(3) Research training support under traineeship programs (see parts 63 and 64a of this chapter), or

(4) Research training support under the NIH AIDS Research Loan Repayment Program authorized under section 487A of the Public Health Service Act, as amended (42 U.S.C. 288–1).

§ 65a.2 Definitions.

As used in this part:

Award or grant means a grant or cooperative agreement awarded under section 311(a) of the Act (42 U.S.C. 9660(a)).

Director means the Director of the National Institute of Environmental Health Sciences, or the Director’s delegate.

HHS means the Department of Health and Human Services.

Institution of higher education means an educational institution in any state which (1) admits as regular students only persons having a certificate of graduation from a school providing secondary education, or the recognized equivalent of such a certificate, (2) is legally authorized within the state to provide a program of education beyond secondary education, (3) provides an educational program for which it awards a bachelor’s degree or provides not less than a two-year program which is acceptable for full credit toward a bachelor’s degree, (4) is a public or other nonprofit institution, and (5) is accredited by a nationally recognized accrediting agency or association within a reasonable time, or (ii) is an institution whose credits are accepted, on transfer, by not less than three institutions which are so accredited, for credit on the same basis as if transferred from an institution so accredited. The term also includes any school which provides not less than a one-year program of training to prepare students for gainful employment in a recognized occupation and which meets the provisions of paragraphs (1), (2), (4), and (5) of this definition. The term also includes a public or nonprofit private educational institution in any state which, in lieu of the requirement in paragraph (1), admits as regular students persons who are beyond the age of compulsory school attendance in the state in which the institution is located and who meet the requirements of section 1091(d) of title 20 U.S. Code, as amended. For purposes of this definition, the Secretary of Education publishes a list of nationally recognized accrediting agencies or associations which that official determines to be reliable authority as to the quality of training offered. This list is found in the brochure, “Nationally Recognized Accrediting Agencies and Associations Criteria and Procedures for Listing by the U.S. Secretary of Education and Current List.”

Note: This brochure is subject to change, and interested persons should contact the U.S. Department of Education Office of Post-Secondary Education, Accreditation and State Liaison Division, ROB 3, 7th and D Streets, S.W., Room 37-15, Washington, DC 20220-5244 (202-708-7417; not a toll-free number) to obtain a current version of the brochure and any amendments.

NIEHS means the National Institute of Environmental Health Sciences, an organizational component of the National Institutes of Health, as authorized under sections 401(b) and 463 of the Public Health Service Act, as amended (42 U.S.C. 281(b) and 185).

NIH means the National Institutes of Health.

Nonprofit, as applied to any agency, organization, institution, or other entity, means a corporation or association
