(d) Record retention. Part D plan sponsors must retain all information collected concerning a creditable coverage period determination in accordance with the enrollment records retention requirements described in §423.505(e)(1)(iii).

§ 423.48 Information about Part D.

Each Part D plan must provide, on an annual basis, and in a format and using standard terminology that CMS may specify in guidance, the information necessary to enable CMS to provide to current and potential Part D eligible individuals the information they need to make informed decisions among the available choices for Part D coverage.

§ 423.56 Procedures to determine and document creditable status of prescription drug coverage.

(a) Definition. Creditable prescription drug coverage means any of the following types of coverage listed in paragraph (b) of this section only if the actuarial value of the coverage equals or exceeds the actuarial value of defined standard prescription drug coverage under Part D in effect at the start of such plan year, not taking into account the value of any discount or coverage provided during the coverage gap, and demonstrated through the use of generally accepted actuarial principles and in accordance with CMS guidelines.

(b) Types of coverage. The following coverage is considered creditable if it meets the definition provided in paragraph (a) of this section:

1. Prescription drug coverage under a PDP or MA-PD plan.
2. Medicaid coverage under title XIX of the Act or under a waiver under section 1115 of the Act.
3. Coverage under a group health plan, including the Federal employees health benefits program, and qualified retiree prescription drug plans as defined in section 1860D–22(a)(2) of the Act.

9. Coverage provided by the medical care program of the Indian Health Service, Tribe or Tribal organization, or Urban Indian organization (I/T/U).
10. Coverage provided by a PACE organization.
11. Coverage provided by a cost-based HMO or CMP under part 417 of this chapter.
12. Coverage provided through a State High-Risk Pool as defined under 42 CFR 146.113(a)(1)(vii).
13. Other coverage as the Secretary may determine appropriate.

(c) General disclosure requirements.

With the exception of PDPs and MA-PD plans under §423.56(b)(1) and PACE or cost-based HMO or CMP that provide qualified prescription drug coverage under this Part, each entity that offers prescription drug coverage under any of the types described in §423.56(b), must disclose to all Part D eligible individuals enrolled in or seeking to enroll in the coverage whether the coverage is creditable prescription drug coverage.

(d) Disclosure of non-creditable coverage. In the case that the coverage of the type described in §423.56(b) is not creditable prescription drug, the disclosure described in paragraph (c) of this section to Part D eligible individuals must also include:

1. The fact that the coverage is not creditable prescription drug coverage, as provided by CMS;
2. That there are limitations on the periods in a year in which the individual may enroll in Part D plans.
(3) That the individual may be subject to a late enrollment penalty, as described under §423.46.

(e) Disclosure to CMS. With the exception of PDPs and MA–PD plans under §423.56(b)(1) and PACE or cost-based HMO or CMP that provide qualified prescription drug coverage under this Part, all other entities listed under paragraph (b) of this section must disclose whether the coverage they provide is creditable prescription drug coverage to CMS in a form and manner described by CMS.

(f) Notification content and timing requirements. The disclosure notification to Part-D eligible individuals required in §423.56(c) and (d) must be provided in a form and manner prescribed by CMS. Notices must be provided, at minimum, at the following times:

(1) Prior to an individual’s initial enrollment period for Part D, as described under §423.38(a);

(2) Prior to the effective date of enrollment in the prescription drug coverage and upon any change that affects whether the coverage is creditable prescription drug coverage;

(3) Prior to the commencement of the Annual Coordinated Election Period as defined in §423.38(b); and

(4) Upon request by the individual.

(g) When an individual is not adequately informed of coverage. If an individual establishes to CMS that he or she was not adequately informed that his or her prescription drug coverage was not creditable prescription drug coverage, the individual may apply to CMS to have the coverage treated as creditable prescription drug coverage for purposes of applying the late penalty described in §423.46.
