§431.625 Coordination of Medicaid with Medicare part B.

(a) Basis and purpose. (1) Section 1843(a) of the Act requires the Secretary to have entered into an agreement with any State that requested that agreement before January 1, 1970, or during calendar year 1981, under which the State could enroll certain Medicare-eligible beneficiaries under Medicare Part B and agree to pay their premiums.

(2) Section 1902(a)(10) of the Act (in clause (II) following subparagraph (D)), allows the State to pay the premium, deductibles, cost sharing, and other charges for beneficiaries enrolled under Medicare Part B without obligating itself to provide the range of Part B benefits to other beneficiaries; and

(3) Section 1903 (a)(1) and (b) of the Act authorizes FFP for State payment for Medicare premiums and for services that could have been covered under Medicare.

(b) Exception from obligation to provide comparable services; State plan requirement. (1) The State’s payment of premiums, deductibles, cost sharing, or similar charges under Part B does not obligate it to provide the full range of Part B services to beneficiaries not covered by Medicare.

(2) The State plan must specify this exception if it applies.

(c) Effect of payment of premiums on State liability for cost sharing. (1) State payment of Part B premiums on behalf of a Medicaid beneficiary does not obligate it to pay on the beneficiary’s behalf the Part B deductible and coinsurance amounts for those Medicare Part B services not covered in the Medicaid State plan.

(2) If a State pays on a beneficiary’s behalf any portion of the deductible or cost sharing amounts under Medicare Part B, the portion paid by a State must be reasonably related to the beneficiary’s income and resources.

(d) Federal financial participation: Medicare Part B premiums—(1) Basic rule. Except as provided in paragraph (d)(2) of this section, FFP is not available in State expenditures for Medicare Part B premiums for Medicaid beneficiaries unless the beneficiaries receive money payments under title I, IV-A, X, XIV, XVI (AABD or SSI) of the Act, or State supplements as permitted under section 1616(a) of the Act, or as required by section 212 of Pub. L. 93-66.

(2) Exception. FFP is available in expenditures for Medicare Part B premiums for the following groups:

(i) AFDC families required to be covered under §§435.112 and 436.116 of this subchapter, those eligible for continued Medicaid coverage despite increased income from employment;

(ii) Beneficiaries required to be covered under §§435.114, 435.134, and 436.112 of this subchapter, those eligible for continued Medicaid coverage despite increased income from monthly insurance benefits under title II of the Act;

(iii) Beneficiaries required to be covered under §435.135 of this subchapter, those eligible for continued Medicaid coverage despite increased income from cost-of-living increases under title II of the Act;

(iv) Beneficiaries of foster care maintenance payments or adoption assistance payments who, under Part E of...
