§ 2532.2 Trust patent.

(a) To enable an Indian allottee to demonstrate his good faith and intention, the issuance of trust patent will be suspended for a period of 2 years from date of settlement; but in those cases where that period has already elapsed at the time of adjudicating the allotment application, and when the evidence either by the record or upon further investigation in the field, shows the allottee’s good faith and intention in the matter of his settlement, trust patents will issue in regular course. Trust patents in the suspended class, when issued will run from the date of suspension.

(b) In the matter of fourth-section applications filed prior to the regulations in this part, where, by the record or upon further investigation in the field, it appears that such settlement has not been made as is contemplated by the regulations, such applications will not be immediately rejected, but the applicant will be informed that 2

The Act of June 2, 1924 (43 Stat. 253, 8 U.S.C. 3), conferred citizenship on all noncitizen Indians born within the Territorial limits of the United States, but expressly reserved to them all rights to tribal or other property. These rights include that of allotment on the public land, if qualified.

§ 2531.3 Effect of application.

(a) Where an allotment application under the fourth section of the Act of February 8, 1887, as amended, 25 U.S.C. 334 (is not accompanied by the requisite certificate from the Bureau of Indian Affairs showing the applicant to be eligible for an allotment, and the applicant is given time to furnish such certificate, the application does not segregate the land, and other applications therefor may be received and held to await final action on the allotment application.

(b) Where an allotment application is approved by the authorized officer, it operates as a segregation of the land, and subsequent application for the same land will be rejected.

[37 FR 23185, Oct. 31, 1972]
§ 2533.0–3

years will be allowed within which to perfect his settlement and to furnish proof thereof, whereupon his application will be adjudicated as in other cases.

Subpart 2533—Allocations Within National Forests

SOURCE: 35 FR 9591, June 13, 1970, unless otherwise noted.

§ 2533.0–3 Authority.

By the terms of section 31 of the Act of June 25, 1910 (36 Stat. 863; 25 U.S.C. 337), allotments under the fourth section of the Act of February 8, 1887, as amended, may be made within national forests.

§ 2533.0–8 Land subject to allotment.

An allotment under this section may be made for lands containing coal and oil and gas with reservation of the mineral contents to the United States, but not for lands valuable for metalliferous minerals. The rules governing the conduct of fourth-section applications under the Act of February 8, 1887 as amended, apply equally to applications under said section 31.

§ 2533.1 Application.

An Indian who desires to apply for an allotment within a national forest under this act must submit the application to the supervisor of the particular forest affected, by whom it will be forwarded with appropriate report, through the district forester and Chief, Forest Service, to the Secretary of Agriculture, in order that he may determine whether the land applied for is more valuable for agriculture or grazing than for the timber found thereon.

§ 2533.2 Approval.

(a) Should the Secretary of Agriculture decide that the land applied for, or any part of it, is chiefly valuable for the timber found thereon, he will transmit the application to the Secretary of the Interior and inform him of his decision in the matter. The Secretary of the Interior will cause the applicant to be informed of the action of the Secretary of Agriculture.

(b) In case the land is found to be chiefly valuable for agriculture or grazing, the Secretary of Agriculture will note that fact on the application and forward it to the Commissioner of Indian Affairs.

(c) If the Commissioner of Indian Affairs approves the application, he will transmit it to the Bureau of Land Management for issuance of a trust patent.
