§ 3106.5 Description of lands.

Each transfer of record title shall describe the lands involved in the same manner as the lands are described in the lease or in the manner required by §3106.5 of this title, except no land description is required when 100 percent of the entire area encompassed within a lease is conveyed.

§ 3106.6 Bonds.

§ 3106.6–1 Lease bond.

Where a lease bond is maintained by the lessee or operating rights owner (sublessee) in connection with a particular lease, the transferee of record title interest or operating rights in such lease shall furnish, if bond coverage continues to be required, either a proper bond or consent of the surety under the existing bond to become co-principal on such bond if the transferor’s bond does not expressly contain such consent. Where bond coverage is provided by an operator, the new operator shall furnish an appropriate replacement bond or provide evidence of consent of the surety under the existing bond to become co-principal on such bond.

§ 3106.6–2 Statewide/nationwide bond.

If the transferee is maintaining a statewide or nationwide bond, a lease bond shall not be required, but the amount of the bond may be increased to an amount determined by the authorized officer in accordance with the provisions of §3104.5 of this title.

§ 3106.7 Approval of transfer.

§ 3106.7–1 Failure to qualify.

No transfer of record title or of operating rights (sublease) shall be approved if the transferee or any other parties in interest are not qualified to hold the transferred interest(s), or if the bond, should one be required, is insufficient. Transfers are approved for administrative purposes only. Approval does not warrant or certify that either party to a transfer holds legal or equitable title to a lease.

§ 3106.7–2 If I transfer my lease, what is my continuing obligation?

(a) You are responsible for performing all obligations under the lease until the date BLM approves an assignment of your record title interest or transfer of your operating rights.

(b) After BLM approves the assignment or transfer, you will continue to be responsible for lease obligations that accrued before the approval date, whether or not they were identified at the time of the assignment or transfer. This includes paying compensatory royalties for drainage. It also includes responsibility for plugging wells and abandoning facilities you drilled, installed, or used before the effective date of the assignment or transfer.
