§ 3276.12 What information must I give BLM in the monthly report for facility operations?

(a) For all electrical generation facilities, include in your monthly report of facility operations:

1. Mass of steam and/or hot water, in klbs, used or brought into the facility. For facilities using both steam and hot water, you must report the mass of each;

2. The temperature of the steam or hot water in deg. F;

3. The pressure of the steam or hot water in psi. You must also specify whether this is psig or psia;

4. Gross generation in kilowatt hours (kwh);

5. Net generation at the tailgate of the facility in kwh;

6. Temperature in deg. F and volume of the steam or hot water exiting the facility;

7. The number of hours the plant was on line;

8. A brief description of any outages; and

9. Any other information we may require.

(b) For electrical generation facilities where Federal royalty is based on the sale of electricity to a utility, in addition to the requirements in paragraph (a) of this section, include:

10. The amount of electricity sold to the utility in kwh;

11. The total production or injection in kilowatt hours (kwh);

12. The amount of steam or hot water lost to venting or leakage, if the amount is greater than 0.5 percent of total lease production. We may modify this standard by a written order describing the change;

13. The lease number or unit name where the facility is located.

§ 3276.11 What information must I include for each well in the monthly report of well operations?

(a) Any drilling operations or changes made to a well;

(b) Total production or injection in thousands of pounds (klbs);

(c) Production or injection temperature in degrees Fahrenheit (deg. F);

(d) Production or injection pressure in pounds per square inch (psi). You must also specify whether this is gauge pressure (psig) or absolute pressure (psia);

(e) The number of days the well was producing or injecting;

(f) The well status at the end of the month;

(g) The amount of steam or hot water lost to venting or leakage, if the amount is greater than 0.5 percent of total lease production. We may modify this standard by a written order describing the change;

(h) The lease number or unit name where the well is located;

(i) The month and year to which the report applies;

(j) Your name, title, signature, and a phone number where BLM may contact you; and

(k) Any other information that we may require.
