§ 3483.6 Special logical mining unit rules.

(a) Production anywhere within the LMU, of either Federal or non-Federal recoverable coal reserves or a combination thereof, shall be applied toward diligent development for the LMU.

§ 3483.7 Designated logical mining unit rules.

(a) For Federal coal leases issued prior to August 4, 1976, that are governed by the Federal lease clauses which describe the minimum production requirements until the first lease readjustment after August 4, 1976, no production prior to the effective date of that first Federal lease readjustment shall be applied toward diligent development.

§ 3483.8 Credit for production.

(a) For Federal coal leases issued prior to August 4, 1976, that have been readjusted after August 4, 1976, and on the effective date of LMU approval for all LMU’s, any advance royalty paid on a Federal lease prior to its inclusion in an LMU shall be credited to the LMU and shall be considered to have been paid on the date of LMU approval for the purposes of this paragraph, provided that the Federal lease has been included in an LMU within the initial 20-year term of the Federal lease as determined in this paragraph and to the extent that the advance royalty has not already been credited against production royalty on the Federal lease.

§ 3483.9 Credit for production.

(a) For Federal coal leases issued prior to August 4, 1976, that have been readjusted after August 4, 1976, and on the effective date of the first lease readjustment after August 4, 1976, that occurred prior to the effective date of the operator/lessee’s election, shall be applied toward diligent development.

(b) For Federal coal leases issued prior to August 4, 1976, that have not been readjusted after August 4, 1976, if the operator/lessee has elected under § 3483.1 of this title to be subject to the diligent development and continued operation requirements of the rules of this part, all production after the effective date of the operator/lessee’s election shall be applied toward diligent development.

§ 3483.10 Credit for production.

(a) For Federal coal leases issued prior to August 4, 1976, that have been readjusted after August 4, 1976, and on the effective date of the first lease readjustment after August 4, 1976, that occurred prior to the effective date of the operator/lessee’s election, shall be applied toward diligent development if the operator/lessee so requests.

§ 3483.11 Credit for production.

(a) For Federal coal leases issued prior to August 4, 1976, that have been readjusted after August 4, 1976, and on the effective date of the first lease readjustment after August 4, 1976, that occurred prior to the effective date of the operator/lessee’s election, shall be applied toward diligent development if the operator/lessee so requests.

§ 3483.12 Credit for production.

(a) For Federal coal leases issued prior to August 4, 1976, that have been readjusted after August 4, 1976, and on the effective date of the first lease readjustment after August 4, 1976, that occurred prior to the effective date of the operator/lessee’s election, shall be applied toward diligent development if the operator/lessee so requests.

§ 3483.13 Credit for production.

(a) For Federal coal leases issued prior to August 4, 1976, that have been readjusted after August 4, 1976, and on the effective date of the first lease readjustment after August 4, 1976, that occurred prior to the effective date of the operator/lessee’s election, shall be applied toward diligent development if the operator/lessee so requests.

§ 3483.14 Credit for production.

(a) For Federal coal leases issued prior to August 4, 1976, that have been readjusted after August 4, 1976, and on the effective date of the first lease readjustment after August 4, 1976, that occurred prior to the effective date of the operator/lessee’s election, shall be applied toward diligent development if the operator/lessee so requests.

§ 3483.15 Credit for production.

(a) For Federal coal leases issued prior to August 4, 1976, that have been readjusted after August 4, 1976, and on the effective date of the first lease readjustment after August 4, 1976, that occurred prior to the effective date of the operator/lessee’s election, shall be applied toward diligent development if the operator/lessee so requests.

§ 3483.16 Credit for production.

(a) For Federal coal leases issued prior to August 4, 1976, that have been readjusted after August 4, 1976, and on the effective date of the first lease readjustment after August 4, 1976, that occurred prior to the effective date of the operator/lessee’s election, shall be applied toward diligent development if the operator/lessee so requests.

§ 3483.17 Credit for production.

(a) For Federal coal leases issued prior to August 4, 1976, that have been readjusted after August 4, 1976, and on the effective date of the first lease readjustment after August 4, 1976, that occurred prior to the effective date of the operator/lessee’s election, shall be applied toward diligent development if the operator/lessee so requests.

§ 3483.18 Credit for production.

(a) For Federal coal leases issued prior to August 4, 1976, that have been readjusted after August 4, 1976, and on the effective date of the first lease readjustment after August 4, 1976, that occurred prior to the effective date of the operator/lessee’s election, shall be applied toward diligent development if the operator/lessee so requests.

§ 3483.19 Credit for production.

(a) For Federal coal leases issued prior to August 4, 1976, that have been readjusted after August 4, 1976, and on the effective date of the first lease readjustment after August 4, 1976, that occurred prior to the effective date of the operator/lessee’s election, shall be applied toward diligent development if the operator/lessee so requests.

§ 3483.20 Credit for production.

(a) For Federal coal leases issued prior to August 4, 1976, that have been readjusted after August 4, 1976, and on the effective date of the first lease readjustment after August 4, 1976, that occurred prior to the effective date of the operator/lessee’s election, shall be applied toward diligent development if the operator/lessee so requests.

§ 3483.21 Credit for production.

(a) For Federal coal leases issued prior to August 4, 1976, that have been readjusted after August 4, 1976, and on the effective date of the first lease readjustment after August 4, 1976, that occurred prior to the effective date of the operator/lessee’s election, shall be applied toward diligent development if the operator/lessee so requests.

§ 3483.22 Credit for production.

(a) For Federal coal leases issued prior to August 4, 1976, that have been readjusted after August 4, 1976, and on the effective date of the first lease readjustment after August 4, 1976, that occurred prior to the effective date of the operator/lessee’s election, shall be applied toward diligent development if the operator/lessee so requests.

§ 3483.23 Credit for production.

(a) For Federal coal leases issued prior to August 4, 1976, that have been readjusted after August 4, 1976, and on the effective date of the first lease readjustment after August 4, 1976, that occurred prior to the effective date of the operator/lessee’s election, shall be applied toward diligent development if the operator/lessee so requests.

§ 3483.24 Credit for production.

(a) For Federal coal leases issued prior to August 4, 1976, that have been readjusted after August 4, 1976, and on the effective date of the first lease readjustment after August 4, 1976, that occurred prior to the effective date of the operator/lessee’s election, shall be applied toward diligent development if the operator/lessee so requests.

§ 3483.25 Credit for production.

(a) For Federal coal leases issued prior to August 4, 1976, that have been readjusted after August 4, 1976, and on the effective date of the first lease readjustment after August 4, 1976, that occurred prior to the effective date of the operator/lessee’s election, shall be applied toward diligent development if the operator/lessee so requests.
